

NANOBLOCK NBH-072

nanoblock NBH-072 Hot Rod Micro Building Block Model Instruction Manual

Model: NBH-072 | Brand: NANOBLOCK

1. INTRODUCTION

Welcome to the world of nanoblock! This instruction manual provides essential guidance for assembling your nanoblock NBH-072 Hot Rod model. nanoblock offers a challenging and rewarding building experience with its miniature blocks, allowing you to create detailed models. Please read through these instructions carefully before beginning assembly.

2. SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to a potential choking hazard.
- **Recommended Age:** This model is recommended for ages 12 and up.
- Keep all nanoblock pieces away from pets to prevent accidental ingestion.
- Always supervise younger builders.

3. PACKAGE CONTENTS

Please verify that all components are present before starting assembly:

- Approximately 300 nanoblock pieces (various colors and shapes)
- One (1) detailed graphical instruction sheet

4. SETUP AND PREPARATION

1. **Clear Your Workspace:** Choose a well-lit, flat, and stable surface for assembly. Ensure there is enough space to spread out the pieces and the instruction sheet.
2. **Open Packaging Carefully:** Gently open the bags containing the nanoblock pieces. It is advisable to place the pieces into small containers or trays to prevent them from scattering or getting lost.
3. **Review Instructions:** Before placing any blocks, take a moment to familiarize yourself with the entire graphical instruction sheet. Understand the symbols and the sequence of steps.
4. **Organize Pieces (Optional):** For easier assembly, you may wish to sort the nanoblock pieces by color, shape, or size.

5. ASSEMBLY INSTRUCTIONS

The nanoblock NBH-072 Hot Rod model is assembled by following the included graphical instruction sheet. Each step illustrates the placement of specific blocks to build the model layer by layer.

- **Step-by-Step Guidance:** Follow the instruction sheet precisely, moving from one numbered step to the next.
- **Build from the Base:** Most nanoblock models begin with a base structure and build upwards. Ensure the initial layers are stable and correctly aligned.
- **Block Orientation:** Pay close attention to the orientation of each block as shown in the diagrams. Incorrect placement can affect the stability and appearance of the final model.
- **Gentle Pressure:** Apply gentle, firm pressure to connect blocks. Do not force blocks together, as this may damage them. If a block does not fit, re-examine the previous steps for errors.
- **Use Tweezers (Optional):** For very small or hard-to-reach blocks, a pair of fine-tipped tweezers can be helpful for precise placement.
- **Visual Reference:** Refer to the image of the completed model frequently to visualize the next steps and ensure accuracy.

6. DISPLAYING YOUR MODEL

Once your nanoblock Hot Rod is fully assembled, it becomes a unique display piece. To ensure its longevity and visual appeal:

- Place the model on a stable, flat surface to prevent accidental falls.
- Avoid placing the model in direct sunlight for extended periods, as this may cause discoloration of the plastic blocks.
- Keep the model away from areas with extreme temperature fluctuations or high humidity.

7. MAINTENANCE AND CARE

To keep your nanoblock model in excellent condition:

- **Cleaning:** Gently dust the model with a soft, dry brush or a microfiber cloth to remove accumulated dust.
- **Avoid Liquids:** Do not use water, cleaning solutions, or abrasive materials, as these can damage the plastic or cause colors to fade.
- **Storage:** If disassembling for storage, keep the blocks in a sealed container to prevent loss and protect them from dust.

8. TROUBLESHOOTING

- **Missing Pieces:** Carefully check all packaging and the surrounding workspace. If pieces are genuinely missing, please contact nanoblock customer support for assistance.
- **Difficulty Assembling:** Review the instruction sheet again, paying close attention to the diagrams and block orientation. Sometimes taking a short break and returning with fresh eyes can help.
- **Model Instability:** Ensure all blocks are firmly pressed together. Re-examine the base and critical connection points for any loose or incorrectly placed blocks.

9. SPECIFICATIONS

- **Model Number:** NBH-072
- **Brand:** nanoblock
- **Number of Pieces:** Approximately 300
- **Recommended Age:** 12 years and up
- **Material:** Plastic
- **Approximate Assembled Dimensions (L x W x H):** 2.4 x 3.2 x 2.3 cm
- **Educational Objective:** Logical thinking, Problem-solving skills

10. WARRANTY AND SUPPORT

For specific warranty information, please refer to the documentation included with your product packaging or visit the official nanoblock website. For product support, inquiries about missing parts, or general assistance, please contact nanoblock customer service through their official channels.

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
