OXO Good Grips 32 Ounce Cold Brew Coffee Maker Instruction Manual

Brand: **OXO** | Model: **1272880**

INTRODUCTION

The OXO Good Grips 32 Ounce Cold Brew Coffee Maker is designed to simplify the cold-brew process, yielding smooth, low-acid coffee concentrate. This manual provides comprehensive instructions for setting up, operating, and maintaining your coffee maker to ensure optimal performance and longevity.

Overall view of the OXO Cold Brew Coffee Maker components, including the brewing container, stand, glass carafe, and stopper.

COMPONENTS

Your OXO Cold Brew Coffee Maker includes the following parts:

- **Brewing Container:** Upper section for steeping coffee grounds.

- **Rainmaker Lid:** Perforated lid for even water distribution.
- **Ultra-Fine Stainless Steel Mesh Filter:** Reusable filter for grounds.
- **Brew-Release Switch:** Mechanism to initiate filtration.
- **Stand:** Base for the brewing container.
- **Borosilicate Glass Carafe:** Collects concentrate, with measurement markings.
- **Stopper:** For sealing the carafe to keep concentrate fresh.

SETUP

1. **Assemble the Brewing Container:** Place the ultra-fine mesh filter inside the brewing container.
2. **Position the Stand:** Ensure the stand is on a stable, flat surface.
3. **Place Carafe:** Position the borosilicate glass carafe directly beneath the brewing container's brew-release switch.

OPERATING INSTRUCTIONS

1. **Add Coffee Grounds:** Fill the mesh filter with coarse-ground coffee up to the indicated coffee line on the brewing container.

A hand filling the brewing container with coarse ground coffee.

2. **Pour Water:** Slowly pour cold water over the Rainmaker lid, ensuring even distribution over the coffee

grounds. Do not stir the grounds and water.

**Pour cold
water into
RainMaker™
top**

A hand pouring cold water into the Rainmaker lid over coffee grounds.

- 3. Steep:** Place the brewing container with the Rainmaker lid on top of the stand. Allow the coffee to steep for 12-24 hours at room temperature, or 20-24 hours in the refrigerator for a slower brew.

**Steep
grounds for
12-24 hours**

4. **Release Concentrate:** Once steeping is complete, press the brew-release switch down. The coffee concentrate will begin to filter into the glass carafe below. The Coffee Maker automatically stops filtering when the carafe is removed.

Press brew-release switch down to drain concentrate

A hand pressing the brew-release switch to drain coffee concentrate.

5. **Store Concentrate:** Once filtered, remove the carafe and seal it with the stopper to keep the concentrate fresh. The carafe can be stored in the refrigerator.

This video provides a brief overview of the OXO Brew Cold Brew Coffee Maker, demonstrating its key features and ease of use.

MAINTENANCE AND CLEANING

The Coffee Maker is designed for easy cleaning and nests for compact storage when not in use.

- **Disassembly:** The Coffee Maker comes apart for quick cleaning.
- **Carafe:** The borosilicate glass carafe is dishwasher safe.
- **Other Components:** Hand wash all other components with warm, soapy water.
- **Mesh Filter:** The ultra-fine stainless steel mesh filter is reusable and easy to clean.

The OXO Cold Brew Coffee Maker disassembled and nested for compact storage.

TROUBLESHOOTING

- **Weak Concentrate:** Ensure you are using coarse-ground coffee and steeping for the recommended duration (12-24 hours). Adjust steeping time for desired strength.
- **Slow Filtration:** Check that the mesh filter is clean and free of clogs. Ensure coffee grounds are coarse, as fine grounds can impede filtration.
- **Grounds in Concentrate:** Verify that the mesh filter is properly seated and undamaged. Optional paper filters are available for an extra layer of filtration if needed.

SPECIFICATIONS

Feature	Detail
Brand	OXO
Model Name	Cold Brew Maker

Model Number	1272880
Capacity	32 Fluid Ounces
Material	Glass, Plastic
Color	Clear/Grey
Item Weight	3.7 Pounds
Product Dimensions	9.53 x 9.53 x 14.72 inches
Care Instructions	Hand Wash (Carafe is Dishwasher Safe)
Assembly Required	Yes

WARRANTY

This product is covered by a **Lifetime satisfaction guarantee**.
