

## STAR WARS A8798

# STAR WARS Hero Series X-Wing Fighter Vehicle Instruction Manual

Model: A8798

## INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your STAR WARS Hero Series X-Wing Fighter Vehicle. Please read these instructions carefully before use to ensure proper handling and longevity of the product. This product is recommended for ages 4 years and up.

## PACKAGE CONTENTS

Verify that all components are present in the package:

- Partially unassembled X-Wing Fighter Vehicle
- Labels (stickers)
- Droid dome (R2 unit)
- Instruction sheet

Image: The STAR WARS Hero Series X-Wing Fighter Vehicle displayed next to its retail packaging. The vehicle is light gray with red and yellow markings, featuring four engine nacelles and laser cannons on the wingtips. The packaging shows the X-Wing in flight against a starry background.

## SETUP AND ASSEMBLY

The X-Wing Fighter Vehicle requires partial assembly. Follow these steps:

1. **Attach Laser Cannons:** Carefully insert the laser cannons onto the designated points at the end of each S-foil (wing). Ensure they are securely fastened. Note that the cannons may be specific to left or right wings; if a cannon does not fit easily, try the opposite wing.
2. **Install Droid Dome:** Place the R2 unit (Droid dome) into the socket located behind the cockpit.
3. **Apply Labels:** Refer to the included instruction sheet for the correct placement of the decorative labels (stickers) on the vehicle's surface.

Once assembled, the vehicle is ready for display or imaginative play.

## FEATURES AND OPERATION

- **Retractable Landing Gear:** The X-Wing Fighter Vehicle is equipped with retractable landing gear. These can be extended for display on a flat surface or retracted for flight simulations.
- **Detailed Design:** The vehicle features a realistic design, replicating the iconic X-Wing fighter from the

Star Wars saga.

- **Size:** The assembled vehicle measures approximately 29 inches long and 25 inches wide, providing a substantial replica.

*Note: The S-foils (wings) of this model do not open or close. They are fixed in position.*

## MAINTENANCE

To maintain the appearance and condition of your X-Wing Fighter Vehicle:

- **Cleaning:** Wipe the surface with a soft, dry cloth. Avoid using abrasive cleaners or solvents, as these may damage the plastic or painted details.
- **Storage:** Store the vehicle in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the vehicle by its main body to avoid stressing the wings or laser cannons.

## TROUBLESHOOTING

This product is a static model with limited moving parts. Should you encounter any issues:

- **Loose Parts:** If any attached parts become loose, gently re-insert them into their designated slots. Avoid excessive force.
- **Damaged Labels:** If labels peel off, they can be re-applied or replaced with similar adhesive materials if desired.

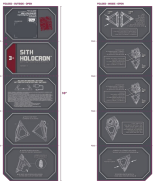

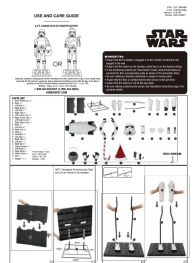

For issues not covered here, please refer to the manufacturer's customer support information.

## SPECIFICATIONS

Model Number	A8798
Product Dimensions	5.98 x 12.01 x 31.14 inches (approx. 29 inches long, 25 inches wide)
Item Weight	3.74 pounds
Manufacturer Recommended Age	4 years and up
Brand	STAR WARS (by Hasbro)
