GoSports Classic Ladder Toss Game Set Instruction Manual

WELCOME

Thank you for choosing the GoSports Classic Ladder Toss Game Set. This manual provides essential information for the proper assembly, operation, and maintenance of your game set. Please read these instructions carefully before use to ensure a safe and enjoyable experience.

SAFETY GUIDELINES

- **Adult Assembly Required:** Ensure an adult supervises or performs the assembly of the game set.
- **Supervision:** Children should be supervised by an adult while playing to prevent accidents.
- **Environmental Conditions:** While designed for indoor and outdoor use, avoid leaving the PVC frame in direct sunlight for extended periods to prevent potential warping.
- **Clear Play Area:** Ensure the playing area is clear of obstacles and other people to prevent injuries from thrown bolos.

PACKAGE CONTENTS

Your GoSports Classic Ladder Toss Game Set includes the following components:

- 2 x Ladder Toss Targets (pre-glued PVC frames)

ASSEMBLY INSTRUCTIONS

The GoSports Classic Ladder Toss Game Set features pre-glued PVC pipes for quick and easy assembly. Follow these steps to set up your game:

1. Remove all components from the carrying case.
2. Unfold the pre-assembled PVC ladder frames. The pipes are designed to snap together securely.
3. Ensure all connections are firm and stable before playing.
4. Place the two ladder targets approximately 15 feet apart for official gameplay, or adjust distance as desired for

different skill levels.

OPERATING INSTRUCTIONS: HOW TO PLAY LADDER TOSS

Ladder Toss is a game of skill where players throw bolos at a ladder target to score points. The objective is to wrap your bolos around the rungs of the ladder.

Gameplay Rules:

- **Players:** 2 to 4 players can participate.
- **Teams:** For 4 players, form two teams of two. Teammates stand at opposite ladders.
- **Starting the Game:** Decide which player or team goes first.
- **Throwing:** Each player throws all three of their bolos towards the opposite ladder target. Players must throw from behind the ladder they are standing next to.

- **Scoring:**

- Top rung: 3 points
- Middle rung: 2 points
- Bottom rung: 1 point
- A bolo must hang on the rung until all bolos are thrown for the round to count.

- **Cancellation Scoring:** Only one player/team can score points per round. If both players/teams land bolos on the same rung, those points cancel each other out. For example, if Player A gets 3 points and Player B gets 2 points, Player A scores 1 point for the round.

- **Winning:** The first player or team to reach exactly 21 points wins. If a player/team exceeds 21 points, their score for that round does not count, and they must try again in the next round to reach exactly 21.

MAINTENANCE AND CARE

- **Cleaning:** Wipe down PVC pipes and bolos with a damp cloth and mild soap if necessary. Avoid harsh chemicals.
- **Storage:** After use, disassemble the ladders and store all components in the provided carrying case. This protects the set and makes it easy to transport.
- **Environmental Protection:** Do not leave the game set exposed to extreme weather conditions (e.g., prolonged direct sunlight, heavy rain, freezing temperatures) to maintain its integrity and prevent damage.

BUILT-IN SCOREKEEPERS FOR BOTH TEAMS

NEVER LOSE TRACK OF THE SCORE

TROUBLESHOOTING

- **Warped Frame:** If the PVC frame shows signs of warping, it may be due to prolonged exposure to direct sunlight. Store the game set in the carrying case and out of direct sun when not in use.
- **Bolos Tangling:** The bolos are designed with thick ropes to minimize tangles. If tangles occur, gently untangle them before play.
- **Ladders Moving During Play:** If the ladder targets shift during gameplay, consider placing small weights on the base of each ladder for added stability, especially on uneven surfaces or during vigorous play.
