Sauder Harbor View Computer Desk w/Hutch

Sauder Harbor View Computer Desk w/Hutch

Model: Harbor View Computer Desk w/Hutch | Brand: Sauder

PRODUCT OVERVIEW

The Sauder Harbor View Computer Desk with Hutch in Salt Oak Finish is designed to enhance your home workspace. This desk offers ample surface area for essential items such as laptops, printers, and personal accessories. Key features include a slide-out keyboard/mouse shelf, two storage drawers, and a lower file drawer capable of accommodating letter, legal, or European size hanging files. A dedicated storage area behind a louvered door is provided for a CPU tower, complete with an adjustable shelf. The integrated hutch offers additional cubbyhole and vertical storage compartments for organization and display.

SETUP AND ASSEMBLY

This product requires assembly. It is recommended to have two people for the assembly process, which typically takes between 4 to 7 hours. Ensure you have a large, clear area to work in, as the desk will need to be flipped during assembly.

Before You Begin:

- **Inspect Packaging:** The desk arrives in two heavy boxes, each weighing over 100 lbs. Arrange for assistance to move the boxes to your assembly area.
- **Verify All Parts:** Before starting assembly, carefully check that all materials, hardware, and assembly instructions are present and undamaged. Refer to the included parts list.
- **Required Tools:** You will need a hammer and a Phillips (star) screwdriver.

Assembly Tips:

- Sort and label all pieces at the beginning to easily identify them during each step.

- Follow the detailed, multi-page assembly booklet provided with the product.
- Some pieces may not be explicitly labeled; compare them to the illustrations in the assembly guide.

OPERATING FEATURES

The Sauder Harbor View Computer Desk is designed for functional use in a home office environment. Familiarize yourself with its various features:

- **Slide-Out Keyboard/Mouse Shelf:** Located beneath the main desktop, this shelf glides on smooth metal runners and includes safety stops for secure operation.
- **Storage Drawers:** Two smaller storage drawers are provided for easy access to miscellaneous office supplies. These drawers also feature metal runners and safety stops.
- **File Drawer:** A lower drawer with full extension slides is designed to accommodate letter, legal, or European size hanging files, keeping important documents organized.
- **CPU Tower Storage:** Behind the louver-detailed door, a dedicated storage area is available for your CPU tower. This area includes an adjustable shelf for versatile storage.
- **Hutch Storage:** The integrated hutch provides cubbyhole storage and vertical compartments, ideal for books, decorative items, or additional office supplies.

MAINTENANCE

To ensure the longevity and appearance of your Sauder Harbor View Computer Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using abrasive cleaners, harsh chemicals, or polishes that may damage the varnished engineered wood finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the wood.
- **Protection:** Use coasters under beverages and protective pads under hot items to prevent heat or moisture damage.
- **Drawer Slides:** Periodically check and clean the metal drawer runners to ensure smooth operation.

TROUBLESHOOTING

This section addresses common issues you might encounter with your desk.

Common Issues and Solutions:

- **Missing or Damaged Parts:** If you discover any missing or damaged components upon unboxing, do not proceed with assembly. Contact Sauder customer support immediately for replacement parts.
- **Drawers Not Sitting Properly:** If drawers appear too high or do not close smoothly, refer to the assembly manual for specific instructions on adjusting cam screws or re-aligning rails. The manual often provides a fix for this issue.
- **Surface Wear:** Over time, the desk surface may show signs of wear, such as paint wearing off or minor scratches. This is typical with regular use. Consider using desk mats or protective covers in high-traffic areas.
- **Wobbly Desk:** Ensure all screws and fasteners are tightened securely. If the desk still wobbles, re-check the assembly steps to confirm all connections are correctly made.
