Safety Information

WARNING: California Proposition 65

This product is not intended for use by children under 3 years of age. Always supervise children around the product.

Ensure all parts are securely fastened before use. Do not exceed the maximum weight capacity of 440 lbs (200 kg).

Setup and Assembly

Your Outsunny Glider Bench is designed for easy assembly, typically requiring only 4 steps with 9 main parts. We recommend assembling the product on a soft, clean surface to prevent scratches.

1. Unpack all components and verify against the parts list (not provided in this manual, refer to packaging).
2. Follow the step-by-step instructions provided in your product packaging for connecting the frame and seating components.
3. Ensure all bolts and screws are tightened securely.
4. Perform a stability check before first use.

Operating Instructions

The Outsunny Glider Bench is designed for comfortable and smooth rocking motion. To operate, simply sit on the bench and gently push off the ground with your feet to initiate the gliding movement. The robust steel frame and smooth rocker mechanism ensure a quiet and enjoyable experience.

- Ensure the glider is placed on a flat, stable surface.
- Avoid sudden, forceful movements that could strain the frame.
- The ventilating sling fabric provides comfort and is quick-drying, making it ideal for outdoor use.

Maintenance

To ensure the longevity and appearance of your Outsunny Glider Bench, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly.
- **Fabric Care:** The textilene fabric is UV resistant and quick-drying. Allow it to air dry completely after cleaning or rain.
- **Frame Care:** The powder-coated steel frame is water-safe and designed for outdoor use. Periodically check all bolts and connections and tighten if necessary.
- **Storage:** While weather-resistant, storing the bench indoors or covering it during harsh weather conditions (heavy rain, snow, extreme temperatures) will extend its lifespan.

Image: Close-up of the textilene fabric, highlighting its properties: Keep Cool, Quick-drying, Easy to Maintain, and Weather Resistant.

Troubleshooting

If you encounter any issues with your Outsunny Glider Bench, consider the following:

- **Squeaking Noise:** Check all bolted connections. A small amount of silicone spray on moving parts may alleviate squeaking.
- **Instability:** Ensure the bench is on a level surface. Re-tighten all assembly bolts.
- **Damage:** Inspect the frame and fabric for any signs of damage. Discontinue use if significant damage is found.

For issues not resolved by these steps, please contact customer support.

Specifications

Feature	Detail
Brand	Outsunny

Feature	Detail
Model	B00KGKI3AI
Product Dimensions	47.25" L x 27.5" W x 33.5" H
