V-ZUG GS55SLVI

V-ZUG Adora SL Dishwasher

USER MANUAL

1. Introduction

This manual provides essential information for the safe and efficient operation of your V-ZUG Adora SL Dishwasher, model GS55SLVI. Please read these instructions carefully before installation, use, or maintenance to ensure optimal performance and longevity of your appliance.

Figure 1: Front view of the V-ZUG Adora SL Dishwasher, showing its integrated design and control panel.

The Adora SL is a fully integrated dishwasher designed for standard 55 cm width installations, offering advanced features for superior cleaning and energy efficiency. It boasts an A+++ energy efficiency class and operates at a quiet 40 dB.

2. Installation and Setup

The V-ZUG Adora SL dishwasher is designed for built-in installation. Due to its integrated nature and electrical/plumbing connections, professional installation is highly recommended to ensure proper functioning and safety.

2.1 Dimensions and Placement

Ensure that the installation space meets the required dimensions for the appliance. Refer to the diagram below for detailed measurements.

Abmessungen	
Nischenmasse Breite mm	550
Nischenmasse Höhe mm	765
Nischenmasse Tiefe mm	580
Gerätedimension Breite mm	546
Gerätedimension Höhe mm	756
Gerätedimension Tiefe mm	572
Leergewicht	44.0 kg

Figure 2: Detailed dimensions for installation of the V-ZUG Adora SL Dishwasher.

- **Niche Width:** 550 mm
- **Niche Height:** 765 mm
- **Niche Depth:** 580 mm
- **Appliance Width:** 546 mm
- **Appliance Height:** 756 mm
- **Appliance Depth:** 572 mm
- **Empty Weight:** 44.0 kg

2.2 Initial Checks

Before first use, ensure all packaging materials are removed and the appliance is correctly leveled. Verify water and electrical connections are secure and conform to local regulations.

3. Operating Instructions

The dishwasher features a clear display and button controls for easy program selection and operation.

3.1 Control Panel Overview

The control panel, located on the top edge of the door, includes program selection buttons, a clear display for remaining time indication, and indicators for salt and rinse aid levels.

3.2 Washing Programs

The Adora SL offers 9 standard washing programs and 2 additional programs to suit various needs. Key programs include:

- **Sprint Program:** A fast 19-minute cycle for lightly soiled dishes.
- **Automatic Program:** Automatically adjusts settings based on the turbidity sensor for optimal cleaning.
- **Eco Program:** Energy-efficient program for normal soiled dishes.
- **Hygiene Program:** For thorough sanitization.
- **Glass Program:** Gentle cleaning for delicate glassware.
- **Daily Program:** For everyday use, including short and partial load options.

- **Fondue/Raclette Program:** Specialized program for heavily soiled items.
- **Steam Finish:** For enhanced drying results.

3.3 Special Functions and Features

- **Aqua Active Water Dosing:** Ensures precise water usage.
- **Turbidity Sensor:** Detects soil level for automatic program adjustment.
- **Duo Stop Flood Protection:** Enhanced safety feature against water leaks.
- **Active Drying System:** For efficient drying results.
- **Vario Upper Basket:** Adjustable upper basket for flexible loading.
- **Easy-Ago Technology:** Traditional automatic door opener for improved drying.
- **All-in-1 Option:** Optimizes performance when using multi-tab detergents.
- **Start Delay:** Up to 24 hours.
- **Child Safety Lock:** Prevents unintended operation.

4. Maintenance and Care

Regular maintenance ensures the longevity and optimal performance of your dishwasher.

4.1 Cleaning the Dishwasher

- Wipe the exterior with a soft, damp cloth. Do not use abrasive cleaners.
- Clean the spray arms and filters regularly to prevent blockages.
- Run a dishwasher cleaning cycle periodically using a specialized cleaner.

4.2 Salt and Rinse Aid Refill

The dishwasher features LED indicators for salt and rinse aid levels. Refill these compartments when the indicators illuminate to ensure optimal washing and drying results.

5. Troubleshooting

Before contacting service, please check the following common issues:

- **Dishwasher not starting:** Check power supply, door closure, and selected program.
- **Dishes not clean:** Ensure proper loading, check spray arm rotation, clean filters, verify detergent dispenser.
- **Water remaining in dishwasher:** Check drain hose for kinks or blockages, clean filters.
- **Excessive noise:** Ensure dishes are not obstructing spray arms, check for foreign objects.
- **Error codes:** Refer to the full V-ZUG user manual or contact customer support for specific error code interpretations.

If the issue persists after checking these points, please contact V-ZUG customer service.

6. Technical Specifications

Feature	Specification
Model	GS55SLVI
Manufacturer Reference	4100200055

Feature	Specification
Brand	V-ZUG
Installation Type	Built-in, Fully Integrated
