Grand Theft Auto V Instruction Manual

For PlayStation 4

Introduction

Welcome to Grand Theft Auto V, an expansive open-world action-adventure game developed by Rockstar North and published by Rockstar Games. This manual provides essential information to help you navigate the world of Los Santos and Blaine County, understand game mechanics, and ensure an optimal gaming experience.

Explore a vast, detailed world, engage in thrilling missions, and experience the interwoven stories of three distinct protagonists: Franklin Clinton, Michael De Santa, and Trevor Philips.

Setup

Installation

To install Grand Theft Auto V on your PlayStation 4 console:

1. Insert the Grand Theft Auto V game disc into your PlayStation 4 console.
2. The system will automatically begin the installation process. Ensure you have sufficient storage space (refer to Specifications).
3. Follow any on-screen prompts to complete the installation.
4. An internet connection may be required for initial updates and access to Grand Theft Auto Online.

Initial Game Launch

Upon first launch, the game may download additional content or patches. Ensure your console is connected to the internet.

You will be prompted to adjust display settings and accept the End User License Agreement (EULA).

Maintenance

Game Updates

Rockstar Games regularly releases updates for Grand Theft Auto V and Grand Theft Auto Online. Ensure your PlayStation 4 is connected to the internet to automatically download and install these updates. Updates often include new content, bug fixes, and performance improvements.

Disc Care

If you are using a physical disc:

- Handle the disc by its edges to avoid fingerprints.
- Store the disc in its original case when not in use.
- Clean the disc with a soft, lint-free cloth if necessary, wiping from the center outwards.

Console Storage

Periodically check your PlayStation 4's storage to ensure sufficient space for game saves, updates, and future content. You can manage storage from the PlayStation 4 system settings.

Troubleshooting

Common issues and their solutions:

Problem	Solution
Game not installing	Check available storage space on your PS4. Ensure the disc is clean and free of scratches. Restart your PS4 console.
Online connectivity issues	Verify your internet connection. Check PlayStation Network (PSN) status. Ensure the game is updated to the latest version.
Game freezing or crashing	Close the application and restart the game. Ensure your PS4 system software is up to date. Rebuild the PS4 database (safe mode option).
Graphics glitches	Ensure your PS4 is well-ventilated. Check for game updates.
