Kohler 85332-CP-0 Toilet Seat Replacement Part User Manual

Model: 85332-CP-0

1. PRODUCT OVERVIEW

This manual provides essential information for the Kohler 85332-CP-0 white toilet seat replacement part. Designed by Kohler engineers, this genuine part ensures compatibility and maintains the original performance and longevity of your Kohler toilet.

Image 1: The Kohler 85332-CP-0 white toilet seat replacement part. This closed-front seat is designed for durability and a precise fit.

The 85332-CP-0 is a closed-front toilet seat in white, featuring chrome hinges. It is crafted from plastic material to ensure durability and ease of cleaning.

2. KEY FEATURES

- **Genuine Kohler Part:** Ensures compatibility and preserves product warranty.
- **Durable Construction:** Made with premium materials for enhanced longevity.
- **Engineered for Performance:** Designed to maintain original product function.
- **White Finish:** Classic white color to match various bathroom decors.
- **Closed-Front Design:** Standard design for comfort and hygiene.

Certified to meet all codes and standards

Made with quality materials

Assure optimal performance

Protect the warranty of the product

Image 2: Visual representation of Kohler Genuine Parts benefits, including certification, quality materials, optimal performance, and product warranty protection.

Using genuine Kohler parts is crucial for maintaining the integrity and performance of your plumbing fixtures. Non-OEM parts may not meet the same rigorous standards.

Guarantees	Designed by Kohler Engineers	Premium Materials	Precision Tooling	Extensive Testing	ASSE- and ASME-Compliant	Exact Fit	Protects Warranty of Product
KOHLER® Genuine Parts	Yes	Yes	Yes	Yes	Yes	Yes	Yes
Non-OEM Parts	No	No	No	No	No	No	No

Image 3: A comparison highlighting the advantages of Kohler Genuine Parts over non-OEM alternatives, emphasizing design, materials, tooling, testing, compliance, fit, and warranty protection.

3. INSTALLATION INSTRUCTIONS

This section outlines the general steps for installing a replacement toilet seat. Specific toilet models may have slight variations.

- 1. Remove Old Seat:** Locate the bolts securing the old toilet seat to the toilet bowl. These are usually found under plastic caps at the back of the seat. Unscrew the nuts from the underside of the bowl and lift off the old seat.
- 2. Clean Mounting Area:** Thoroughly clean the area on the toilet bowl where the new seat will be installed.
- 3. Position New Seat:** Place the new Kohler 85332-CP-0 toilet seat onto the toilet bowl, aligning the hinge posts with the bolt holes.
- 4. Secure Bolts:** Insert the new bolts through the hinge posts and the toilet bowl holes. From

underneath the bowl, hand-tighten the nuts onto the bolts.

- 5. **Adjust and Tighten:** Adjust the seat position to ensure it is centered and properly aligned with the bowl. Once aligned, fully tighten the nuts with a wrench, being careful not to overtighten and crack the porcelain.
- 6. **Install Caps:** If applicable, snap the decorative caps over the bolt heads.

4. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your Kohler toilet seat.

- **Regular Cleaning:** Clean the toilet seat regularly with a soft cloth, warm water, and a mild, non-abrasive cleaner.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical cleaners (e.g., bleach, acid-based cleaners) as these can damage the finish and material.
- **Rinse Thoroughly:** After cleaning, rinse the seat thoroughly with clean water and dry with a soft cloth to prevent water spots.
- **Check Fasteners:** Periodically check the seat fasteners to ensure they are tight. Retighten if necessary to prevent the seat from shifting.

5. PRODUCT SPECIFICATIONS

Specification	Detail
Brand	Kohler
Model Number	85332-CP-0
Color	White
Material	Plastic
Style	Classic
Shape	Oval
Product Dimensions	5"L x 5"W <i>(Note: This dimension seems unusually small for a toilet seat. Please refer to product packaging for accurate dimensions.)</i>
