## Roma 4.4 lbs.

# Roma Laundry Detergent - 4.4 lbs. User Manual

Model: 4.4 lbs.

## PRODUCT OVERVIEW

---

Roma Laundry Detergent is a high-quality, phosphate-free powder detergent designed for effective cleaning of various fabrics. This product is formulated to be economical and effective, providing a fresh floral scent and contributing to brighter whites. It is biodegradable and free from harsh chemicals, making it a suitable choice for everyday laundry needs.

## SETUP AND STORAGE

Proper storage ensures the longevity and effectiveness of your Roma Laundry Detergent.

- **Storage Location:** Store the detergent in a cool, dry place, away from direct sunlight and excessive moisture. Humidity can cause the powder to clump.

- **Safety:** Keep the product out of reach of children and pets to prevent accidental ingestion or contact.
- **Sealing:** After each use, ensure the bag is securely sealed to maintain the powder's freshness and prevent clumping.

## OPERATING INSTRUCTIONS

Follow these guidelines for optimal cleaning performance with Roma Laundry Detergent. Always refer to your washing machine's manual for specific loading and dispenser instructions.

## Dosing Guidelines:

The following are general recommendations. For precise measurements, consult the instructions printed on the product packaging.

- **For heavily soiled large clothes:** Use 1 cup of detergent.
- **For normal to medium clothes:** Use 3/4 cup of detergent.
- **For medium loads:** Use 1/2 cup of detergent.

### Application:

1. Start your washing machine.
2. Add the recommended amount of Roma Laundry Detergent directly to the washing machine's detergent dispenser or directly into the wash water before adding clothes.
3. Add clothes to the washing machine.
4. Initiate the wash cycle according to your fabric care instructions.

This detergent is suitable for all fabrics and can be used in both standard and high-efficiency washing machines. For best whitening results, use with white clothes.

## MAINTENANCE

---

To ensure the continued quality and performance of your Roma Laundry Detergent:

- **Storage:** Always store the product in its original packaging, sealed tightly, in a dry environment.
- **Clumping:** If the powder clumps due to humidity, gently break up the clumps before use. This does not affect the product's cleaning efficacy.
- **Temperature:** Avoid exposing the detergent to extreme temperatures, both hot and cold.

## TROUBLESHOOTING

---

Below are common issues and their potential solutions when using laundry detergent:

- **Residue on Clothes:** If white residue appears on clothes after washing, it may indicate that too much detergent was used or the water temperature was too low for proper dissolution. Reduce the detergent amount for subsequent washes and consider using warmer water if suitable for the fabric type.
- **Poor Cleaning Performance:** Ensure you are using the correct detergent dose for your load size and soil level. For very tough stains, pre-soaking the garment with a small amount of detergent dissolved in water may be beneficial. Verify that your washing machine is functioning correctly and that the water supply is adequate.
- **Skin Irritation:** Roma Laundry Detergent is an eye irritant. Avoid contact with eyes. In case of accidental ingestion, drink a glass of milk or water. If irritation persists or in case of eye contact, flush with plenty of water and seek medical attention. Avoid prolonged contact with skin. Always wash hands thoroughly after handling the product.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions	14.1 x 10 x 5.1 inches
Item Weight	4.52 pounds (approx. 72.32 ounces)
Manufacturer	Roma
Key Features	Biodegradable, Chemical Free, Whitening
Scent	Floral
Unit Count	70.4 Ounce (2 kg)
Material Type Free	Chemical Free

## WARRANTY AND SUPPORT

---

Specific warranty information for Roma Laundry Detergent is not provided in this manual. For product support, inquiries, or detailed warranty information, please contact the manufacturer directly using the contact details provided on the product packaging or their official website.
