1. SAFETY INSTRUCTIONS

Please read all instructions carefully before using your Vileda Steam Mop. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always ensure the appliance is unplugged before filling with water or performing maintenance.
- Do not immerse the steam mop in water or any other liquid.
- Use only tap water in the water tank. Do not add cleaning solutions, perfumes, or other chemicals, as this can damage the appliance and void the warranty.
- Keep the steam mop out of reach of children and pets.
- Do not direct steam at people, animals, or electrical appliances.
- Always allow the appliance to cool down completely before storing.
- Ensure the power cord is not damaged or tangled during use.

Figure 1.1: The Vileda Steam Mop operates without the need for harsh chemicals, using only water for cleaning.

2. PACKAGE CONTENTS

Carefully unpack your Vileda Steam Mop and ensure all components are present. If any parts are missing or damaged, please contact customer support.

- Vileda Steam Mop unit
- Handle assembly
- Measuring cup
- Microfiber pads (2 included)
- Carpet glider attachment

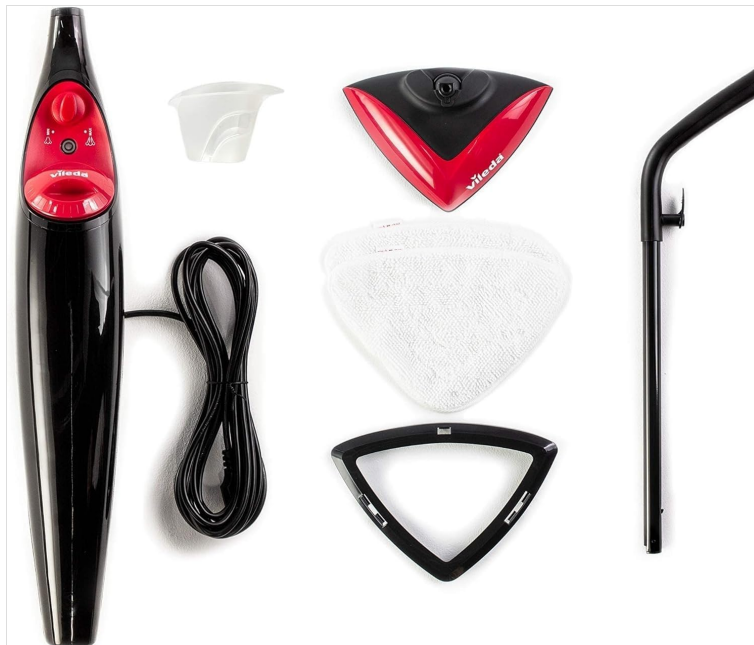

Figure 2.1: All components included with the Vileda Steam Mop, including the main unit, handle, measuring cup, microfiber pads, and carpet glider.

3. SETUP

3.1 Assembly

1. Insert the handle assembly into the main body of the steam mop until it clicks securely into place.
2. Ensure all connections are firm before proceeding.

3.2 Filling the Water Tank

1. Ensure the steam mop is unplugged from the power outlet.
2. Locate the water tank cap on the main unit.
3. Open the cap and use the provided measuring cup to fill the tank with clean tap water. The tank has a capacity of 400 ml. Do not overfill.
4. Securely close the water tank cap.

Figure 3.1: A hand carefully pouring water into the Vileda Steam Mop's water reservoir using the provided measuring cup.

3.3 Attaching the Microfiber Pad

1. Place a clean microfiber pad on the floor with the white side facing up.
2. Align the steam mop head over the pad and press down firmly to attach it. The pad will adhere to the hook-and-loop fasteners on the mop head.

Figure 3.2: Two clean 100% microfiber pads, designed for effective steam cleaning and easy attachment to the mop head.

4. OPERATING INSTRUCTIONS

4.1 Powering On and Heating

1. Plug the steam mop into a suitable electrical outlet.
2. Turn the power switch to the 'ON' position. The indicator light will illuminate.
3. The Vileda Steam Mop heats up quickly, typically ready for use in approximately 15 seconds.

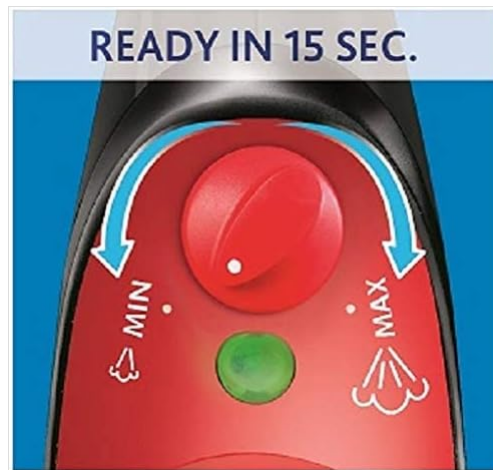

Figure 4.1: Close-up of the steam mop's control dial, indicating minimum and maximum steam settings and the rapid 15-second heat-up time.

4.2 Cleaning Hard Floors

1. Once the mop is ready, gently move it across the hard floor surface. The flexible, triangular head allows access to corners and edges.
2. The steam will be released as you move the mop, effectively cleaning and sanitizing the floor.
3. For stubborn spots, hold the mop over the area for a few seconds to allow the steam to penetrate.

Figure 4.2: A user demonstrating the Vileda Steam Mop in action, cleaning a hard floor surface in a living room setting.

Figure 4.3: A close-up view of the Vileda Steam Mop head releasing steam onto a hard floor, illustrating its cleaning action.

4.3 Cleaning Carpets and Rugs

1. For cleaning carpets and rugs, attach the carpet glider accessory to the mop head over the microfiber pad.
2. Gently glide the mop over the carpet or rug surface. The steam will help to refresh and deodorize the fibers.
3. Do not saturate carpets; use short, controlled passes.

Figure 4.4: The Vileda Steam Mop equipped with its carpet glider attachment, shown cleaning a textured rug.

Figure 4.5: An illustration demonstrating the Vileda Steam Mop's versatility across different floor types, including tile, carpet, and wood.

5. MAINTENANCE

5.1 Cleaning Microfiber Pads

The 100% microfiber pads are washable and reusable.

- Remove the microfiber pad from the mop head after each use.
- Machine wash the pads with similar colors at a low temperature (e.g., 30-40°C). Do not use bleach or fabric softener.
- Air dry or tumble dry on low heat.

5.2 Draining and Storage

1. After use, unplug the steam mop and allow it to cool down completely.
2. Empty any remaining water from the tank.
3. Store the steam mop in a dry, safe place, away from direct sunlight and extreme temperatures.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
No steam produced	Water tank is empty Mop not plugged in or switched on Mop not heated up	Refill water tank Check power connection and switch Wait 15 seconds for heating
Poor cleaning results	Microfiber pad is dirty Insufficient steam	Replace or wash microfiber pad Ensure water tank is full and mop is fully heated
Water leaking from mop head	Water tank cap not closed properly Overfilled water tank	Ensure cap is securely closed Do not overfill the water tank

7. SPECIFICATIONS

Model Name: SC-1086

Brand: Vileda

Item Weight: 3.5 Kilograms

Product Dimensions: 26 x 15.3 x 68.5 cm

Wattage: 1550 watts

Water Tank Capacity: 400 ml

Special Feature: Portable

Assembly Required: Yes

Batteries Required: No

Included Components: Mop (main unit), Handle, Measuring Cup, Microfiber Pads, Carpet Glider

First Available Date: October 27, 2014

8. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the documentation provided with your purchase or visit the official Vileda website. Keep your proof of purchase for any warranty claims.

For further assistance, please contact Vileda customer service.
