## Supersmart UC II Supplement

# Supersmart UC II Supplement User Manual

Undenatured Type II Collagen Supplement

## 1. INTRODUCTION TO UC II SUPPLEMENT

---

The Supersmart UC II Supplement features UC-II, a patented form of undenatured (native) type II collagen. Unlike denatured or hydrolyzed collagens, UC-II maintains its original molecular configuration, which is crucial for its intended action. This supplement is designed to support joint health and may assist in alleviating joint discomfort.

Supersmart, established in 1992, is committed to prioritizing quality, safety, efficacy, and scientific validation in its dietary supplements.

## 2. INGREDIENTS AND COMPOSITION

---

Each vegetarian capsule of Supersmart UC II Supplement contains 40 mg of UC-II, providing 10 mg of total collagen, specifically undenatured type II collagen. Other ingredients include Acacia Gum and Rice Flour. The product is unflavored.
