SiriusXM SXSD2

SiriusXM SXSD2 Dock and Play Radio Boom Box Instruction Manual

Model: SXSD2 | Brand: SiriusXM

INTRODUCTION

This manual provides essential information for the setup, operation, and maintenance of your SiriusXM SXSD2 Dock and Play Radio Boom Box. The SXSD2 features a sporty design and delivers great sound, compatible with all SiriusXM Dock and Play radios with universal docking capability.

Please read this manual thoroughly before using the product to ensure proper function and longevity.

WHAT'S IN THE BOX

- SiriusXM SXSD2 Speaker Dock
- Instruction Manual

SETUP

Before operating your SiriusXM SXSD2 Dock and Play Radio Boom Box, ensure it is properly set up.

Powering the Boom Box

The SXSD2 can be powered in two ways:

1. **AC Power:** Plug the provided AC adapter into an available AC outlet and connect it to the boom box's power input.
2. **Battery Power:** For portable use, the boom box requires 8 D batteries (sold separately). Open the battery compartment, insert the batteries according to the polarity indicators, and close the compartment securely.

Inserting Your SiriusXM Radio

The boom box features a universal docking capability. Gently slide your compatible SiriusXM Dock and Play radio into the docking slot until it is securely seated. Ensure the radio makes proper contact with the dock's connectors.

OPERATING INSTRUCTIONS

Once powered and your radio is docked, you can begin using your boom box.

Basic Functions

- **Power On/Off:** Press the Power button on the boom box or the remote control to turn the unit on or off.
- **Volume Control:** Use the Volume Up/Down buttons on the unit or remote to adjust the sound level.
- **Channel Selection:** Navigate channels using the controls on your docked SiriusXM radio or the corresponding buttons on the boom box/remote.
- **Auxiliary Input:** Connect external audio devices (like MP3 players) to the 3.5mm auxiliary input jack for playback through the boom box speakers.
- **Headphone Jack:** For private listening, plug headphones into the dedicated headphone jack.

Remote Control Usage

The included remote control allows for convenient operation of both the portable speaker dock and your docked satellite radio from a distance.

REMOTE INCLUDED

>> **Operate both** the Portable Speaker Dock and your Satellite Radio using the included remote control.

The remote control for the SiriusXM SXSD2, enabling convenient operation of the boom box and docked radio.

Portability Features

The SXSD2 is designed for portability, featuring a fold-away handle for easy transport and an antenna cradle to secure the antenna when on the go.

MAINTENANCE

To ensure the longevity and optimal performance of your SiriusXM SXSD2 Boom Box, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the boom box. Avoid abrasive cleaners or solvents.
- **Battery Care:** If using batteries, remove them if the unit will not be used for an extended period to prevent leakage.
- **Storage:** Store the boom box in a cool, dry place away from direct sunlight and extreme temperatures.
- **Antenna Care:** Handle the antenna carefully to prevent damage. Use the antenna cradle for secure storage during transport.

TROUBLESHOOTING

If you encounter issues with your SiriusXM SXSD2 Boom Box, refer to the following common solutions:

Problem

Solution

Problem	Solution
No Power	Ensure AC adapter is securely plugged in. If using batteries, check if they are inserted correctly and are not depleted. Replace batteries if necessary.
No Sound	Check volume level. Ensure the SiriusXM radio is properly docked. Verify that the correct input source (e.g., Satellite Radio, Aux) is selected.
Poor Satellite Signal	Ensure the antenna is fully extended and positioned with a clear view of the sky. Avoid obstructions like buildings or trees.
Remote Control Not Working	Check and replace the remote control batteries. Ensure there are no obstructions between the remote and the boom box.

For further assistance, please refer to the comprehensive user manual available online or contact SiriusXM customer support.
