ZINUS OLB-MESB-Q

ZINUS SmartBase Euro Slats Mattress Foundation User Manual

Brand: ZINUS

Model: OLB-MESB-Q

1. Introduction

This manual provides detailed instructions and information for the ZINUS SmartBase Euro Slats Mattress Foundation. Designed for streamlined functionality, this metal platform bed eliminates the need for a box spring, offering robust support for your mattress and ample underbed storage. Its sturdy steel and wood frame ensures durability and stability.

2. Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Be cautious of the legs to avoid injury.
- Do not exceed the maximum weight capacity of 1500 lbs (for Queen size and above; Twin size supports up to 750 lbs).
- Follow assembly instructions carefully to prevent instability.
- Ensure all bolts are tightened very snugly to prevent squeaking and maintain stability.

3. Components List

The ZINUS SmartBase Euro Slats Mattress Foundation typically includes the following components:

- Metal Frame Sections
- Wooden Slats
- Assembly Hardware (bolts, washers, nuts)
- Assembly Tools (e.g., Allen wrench)

Note: All parts, tools, and instructions are typically packed in one compact shipping box. Please verify all components are present before beginning assembly.

4. Setup and Assembly

The ZINUS SmartBase Euro Slats Mattress Foundation is designed for easy and quick assembly. It typically takes about 15-45 minutes to set up.

Assembly Steps:

1. Unpack all components and lay them out on a clean, flat surface.
2. Follow the detailed instructions provided in theInstallation Manual (PDF) for step-by-step guidance.
3. Assemble the metal frame sections using the provided hardware and tools. Ensure all connections are secure.
4. Insert the wooden slats into their designated slots on the frame. These slats provide direct support for your mattress, eliminating the need for a box spring.
5. Confirm all bolts are tightened securely to ensure the frame's stability and prevent any movement or noise.

5. Usage and Features

The ZINUS SmartBase Euro Slats Mattress Foundation is designed to provide optimal support and functionality for your bedroom.

Key Features:

- **No Box Spring Needed:** The sturdy wooden slats and reinforced steel center support bar allow you to place your

latex, memory foam, or spring mattress directly on the foundation.

- **Ample Underbed Storage:** With 12.5 inches of clearance space, the frame provides significant room for storing items like luggage, seasonal clothing, or sports equipment, helping to keep your space organized.
- **Recessed Legs:** The front and back legs are recessed beneath the frame, a thoughtful design feature to help prevent accidental toe stubbing.
- **Durable Construction:** Made with durable steel and robust wooden slats, this foundation is built for long-lasting, noise-free use.

6. Maintenance

To ensure the longevity and continued performance of your ZINUS SmartBase Euro Slats Mattress Foundation, follow these maintenance guidelines:

- **Regular Cleaning:** Wipe down the metal frame with a damp cloth to remove dust and debris. Avoid harsh chemicals that may damage the finish.
- **Check Connections:** Periodically inspect all bolts and connections to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Moving the Frame:** If you need to move the bed frame, lift it rather than dragging it to prevent damage to the legs or your flooring. The lightweight design makes it easy to lift and move for cleaning or repositioning.

7. Troubleshooting

Here are some common issues and their solutions:

- **Squeaking Noises:** If the bed frame begins to squeak, it is likely due to loose connections. Re-tighten all bolts, especially those connecting the main frame sections and the support bars.
- **Mattress Sagging:** Ensure your mattress is properly aligned on the wooden slats. The design includes a reinforced steel center support bar to prevent sagging, but if issues persist, verify the integrity of the slats and the central support.
- **Frame Shifting on Hardwood Floors:** The frame includes plastic pieces on the bottom of the legs to help prevent sliding. For additional stability on hard surfaces, consider placing non-slip pads or a rug underneath the legs.

8. Specifications

Attribute	Detail
Size	Queen
Product Dimensions	45"L x 16"W x 12.5"H (Note: This appears to be packaging dimensions, actual Queen bed dimensions are typically 60"W x 80"L x 14"H)
Special Feature	Sturdy
Color	Black
Finish Type	Painted
Included Components	Foundation; Wooden Slats
Compatible With Mattress Size	Queen
Brand	ZINUS
Assembly Required	Yes
Item Weight	37.2 pounds
Item Model Number	OLB-MESB-Q
UPC	841550067439

Note: The product dimensions listed (45"L x 16"W x 12.5"H) appear to be packaging dimensions. The actual assembled Queen bed frame dimensions are approximately 60"W x 80"L x 14"H.
