Marley EM-JE041-RA

House of Marley Smile Jamaica Wired Earphones Instruction Manual

Model: EM-JE041-RA

INTRODUCTION

The House of Marley Smile Jamaica in-ear headphones are designed to provide exceptional audio clarity with a focus on sustainable materials. Featuring FSC-Certified Wood and recyclable aluminum housings, these earphones offer a noise-isolating design to keep you connected to your music. Enjoy comfort and deep, clear sound for your daily listening needs.

**RECYCLABLE
ALUMINUM**

 **FSC®
CERTIFIED
WOOD**

WHAT'S IN THE Box

- House of Marley Smile Jamaica Wired Earphones
- 1-button controller with built-in microphone (integrated into the cable)
- 2 pairs of S/M size silicone ear tips

SETUP

Setting up your Smile Jamaica earphones is straightforward:

1. **Select Ear Tips:** Choose the silicone ear tips (S or M) that provide the most comfortable and secure fit for your ears. A proper fit is crucial for optimal sound quality and noise isolation.
2. **Connect to Device:** Insert the 3.5 mm audio jack into the headphone port of your audio device (smartphone, tablet, laptop, etc.).
3. **Wear Earphones:** Gently insert the earbud into your ear canal. Adjust until it feels snug and comfortable.

OPERATING INSTRUCTIONS

Your Smile Jamaica earphones feature a convenient 1-button remote and an integrated microphone for easy control of your audio and calls.

- **Play/Pause Music:** Press the button once to play or pause your music.
- **Skip Track Forward:** Press the button twice quickly to skip to the next track.
- **Skip Track Backward:** Press the button three times quickly to go back to the previous track.
- **Answer/End Call:** Press the button once to answer an incoming call or end an ongoing call.
- **Decline Call:** Press and hold the button for a few seconds to decline an incoming call.
- **Voice Assistant:** Press and hold the button to activate your device's voice assistant (e.g., Siri, Google Assistant).

TANGLE-FREE BRAIDED CABLE

MAINTENANCE

To ensure the longevity and optimal performance of your earphones, follow these maintenance tips:

- **Cleaning:** Regularly clean the silicone ear tips with a soft, damp cloth. For the earbud housings, use a dry, soft cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store your earphones in a clean, dry place. The tangle-free braided cable helps prevent knots, but coiling them neatly will extend their life.
- **Avoid Moisture:** These earphones are not water-resistant. Keep them away from water, excessive humidity, and extreme temperatures.
- **Handle with Care:** Avoid pulling on the cable when disconnecting from your device. Always grasp the 3.5 mm jack.

TROUBLESHOOTING

If you encounter any issues with your Smile Jamaica earphones, try the following solutions:

Problem	Solution
No sound or low volume	Ensure the 3.5 mm jack is fully inserted into your device. Check the volume level on your device. Test with another audio device to rule out device issues. Clean any debris from the headphone jack on your device.
Microphone not working	Ensure the jack is fully inserted. Check your device's settings to ensure the correct microphone input is selected. Test with another device or application.
Sound distortion or crackling	Reduce the volume on your device. Ensure the cable is not damaged or kinked. Clean the 3.5 mm jack and the device's port.

SPECIFICATIONS

Model Name	EM-JE041-RA
Headphones Jack	3.5 mm Jack
Connectivity Technology	Wired
Material	Aluminum, Silicone, FSC-Certified Wood
Item Weight	0.635 ounces (18 Grams)
