Doom for PlayStation 4

Instruction Manual

Brand: Bethesda | Model: 17022

INTRODUCTION

Welcome to Doom for PlayStation 4. This manual provides essential information for installing, playing, and understanding the game's features. Developed by id Software, Doom offers an intense first-person shooter experience against demonic forces.

The game features a single-player campaign, various multiplayer modes, and the DOOM SnapMap editor for creating and sharing custom content.

SETUP AND INSTALLATION

- 1. Insert Game Disc:** Place the Doom game disc into your PlayStation 4 console's disc drive.
- 2. Automatic Installation:** The game will automatically begin installation. Follow any on-screen prompts.
- 3. Updates:** Ensure your PlayStation 4 is connected to the internet to download any necessary game updates for optimal performance and access to the latest content.
- 4. Launch Game:** Once installation and updates are complete, select the Doom icon from your PlayStation 4 home screen to launch the game.

Multiplayer

Engage in various arena-style multiplayer modes. Utilize powerful weapons, unique power-ups, and vertical movement to dominate opponents. Multiplayer progression has been revamped with Update 6.66.

DOOM SnapMap

The DOOM SnapMap editor allows players to create, play, and share custom maps and game modes. No prior experience is required to snap together and customize content, including game logic.

KEY FEATURES

- **Relentless Campaign:** Experience intense combat without cover mechanics or health regeneration, focusing on aggressive offense.
- **id Multiplayer:** Fast-paced, arena-style combat with diverse game modes and demon power-ups.
- **Near-Limitless Gameplay:** Create and share custom content using the intuitive DOOM SnapMap editor.
- **Included DLC:** All three premium DLC packs (Unto the Evil, Hell Followed, and Bloodfall) are included, along with Arcade Mode, Photo Mode, and multiplayer improvements from Update 6.66.
