# Natracare Ultra Extra Pads with Wings: Instruction Manual

Model: 7.82126E+11

## 1. PRODUCT OVERVIEW

---

Natracare Ultra Extra Pads with Wings are designed for comfort and protection, made with certified organic cotton and ecologically certified cellulose pulp. These pads are individually wrapped and are a plastic-free alternative for feminine care.

### Key Features:

- **Plastic-Free:** Designed to be free from plastics commonly found in conventional period products, reducing environmental impact.
- **Natural Material:** Made with organic cotton, cellulose pulp, and plant starch, minimizing exposure to synthetic materials, perfumes, and dyes. Gynaecologist recommended and suitable for sensitive skin.
- **Biodegradable and Compostable:** All Natracare pads are commercially compostable to EN 13432 standards, breaking down into organic matter when composted.
- **Ethical Sourcing:** The entire supply chain adheres to ethical practices for resource management.
- **Vegan:** Plant-based period products for a vegan lifestyle.

## SOFT ORGANIC COTTON

Organic cotton is grown without the use of pesticides and harsh chemicals. We use organic cotton free from perfumes, dyes, and chlorine bleaching.

## EFFECTIVE PROTECTION

Our pads are effectively absorbent for every flow, with and without wings. We choose simple, natural materials that let your intimate skin breathe.

## PLASTIC FREE

Avoid leaks without using plastic. Our pads are made from organic and plant-based materials, designed to be super soft on skin.

## 2. SETUP AND USAGE

---

Using Natracare Ultra Extra Pads is straightforward. Follow these steps for optimal comfort and protection:

1. **Unwrap the Pad:** Carefully remove the pad from its individual, compostable wrapper.
2. **Position in Underwear:** Place the pad in your underwear with the adhesive side down. Ensure it is positioned correctly for maximum coverage.
3. **Secure Wings:** If your pad has wings, fold them around the sides of your underwear and press them firmly to secure the pad in place.
4. **Change Regularly:** Change your pad as needed, typically every 3-4 hours, or more frequently during heavier flow.

### 3. MAINTENANCE AND DISPOSAL

---

Proper disposal of used pads is important for hygiene and environmental protection.

- **Disposal:** After use, wrap the pad in its original wrapper or toilet paper and dispose of it in a waste bin. Do not flush pads down the toilet.
- **Composting:** Natracare pads are designed to be commercially compostable (EN 13432). Home composting may also be possible, depending on your composting system.
- **Storage:** Store unused pads in a cool, dry place away from direct sunlight and moisture.

### 4. IMPORTANT SAFETY INFORMATION

---

Please read the following safety guidelines before using the product:

- Avoid skin irritation by using only as directed.
- Dispose of pads properly to prevent environmental harm.
- For all skin types, including sensitive skin.

Legal Disclaimer: Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition. This product is a feminine hygiene product, not a dietary supplement.

## 5. SPECIFICATIONS

Brand	Natracare
Model Number	7.82126E+11
Product Dimensions	3.9 x 3.7 x 4.45 inches; 3.5 ounces
Sanitary Napkin Type	Menstrual Pad
Style	Long
Absorbency	Extra Heavy
Size	8 Count (Pack of 1)
Ingredients	GOTS Organic Cotton, Cellulose From Wood Pulp, Corn Starch

## 6. TROUBLESHOOTING

For common issues or concerns, please refer to the following:

- **Leakage:** Ensure the pad is positioned correctly and changed frequently enough for your flow. Consider a higher absorbency level if leakage persists.
- **Skin Irritation:** Natracare pads are made with natural materials to minimize irritation. If irritation occurs, discontinue use and consult a healthcare professional.
