Natracare NC3280

Natracare Organic Winged Ultra Pads Super Instruction Manual

Model: NC3280 | Brand: Natracare

INTRODUCTION

This manual provides essential information for the proper use and care of your Natracare Organic Winged Ultra Pads Super. These pads are designed for comfort and protection during regular to heavy flow days, offering a natural and effective solution for menstrual hygiene.

PRODUCT FEATURES

- **Organic Cotton Cover:** Made with certified organic cotton for a soft and breathable surface.
- **Slim Design:** Allows for comfortable movement and a secure fit with underwear.
- **Winged Protection:** Features wings and side leak-proof stitching to prevent side leakage.
- **Plant-Based Materials:** Constructed from plant-derived materials, free from plastics, perfumes, and chlorine.
- **Absorbent Core:** Utilizes cellulose pulp for effective absorption.
- **Hypoallergenic:** Designed to minimize discomfort such as stuffiness, itching, and coldness in the delicate area.

USAGE INSTRUCTIONS

Application

1. Remove the pad from its individual wrapper.
2. Peel off the release paper from the back of the pad to expose the adhesive.
3. Center the pad on your underwear, adhesive side down.
4. Fold the wings around the underside of your underwear to secure the pad in place.

Disposal

- After use, wrap the soiled pad in its individual wrapper or toilet paper.
- Dispose of the wrapped pad in a waste bin. Do not flush pads down the toilet.

MATERIALS AND INGREDIENTS

Natracare pads are crafted with carefully selected natural and organic materials:

- **Pad Surface:** Organic Cotton
- **Absorbent Core:** Sustainably sourced Cellulose Pulp
- **Leak-Proof Layer:** Biofilm (plant-based)
- **Adhesive:** Ethylene Vinyl Acetate Copolymer
- **Fixing Agent:** Styrene-Butadiene-Styrene Block Copolymer Resin
- **Individual Wrapper:** Biofilm (plant-based)
- **Release Paper:** Plant Cellulose (silicone coating)
- **Outer Packaging:** Paper

These materials ensure the product is plastic-free, perfume-free, and totally chlorine-free (TCF).

CARE AND STORAGE

- Store pads in a cool, dry place away from direct sunlight and moisture.
- After opening the outer packaging, ensure pads are kept hygienically to prevent dust or insects from entering.
- Keep out of reach of children.

TROUBLESHOOTING

If you experience any issues with the product, consider the following:

- **Leakage:** Ensure the pad is correctly positioned and the wings are securely wrapped around your underwear. For very heavy flow, consider changing the pad more frequently or using a higher absorbency product if available.
- **Skin Irritation:** While Natracare pads are designed to be gentle, if irritation occurs, discontinue use and consult a healthcare professional. Ensure proper hygiene and frequent changes.
- **Adhesive Issues:** Ensure your underwear is clean and dry before applying the pad for optimal adhesion.

SPECIFICATIONS

Attribute	Detail
Product Model Number	NC3280
Pad Length	25 cm
Pad Width	7.5 cm
Pad Thickness	0.47 cm
Quantity per Pack	10 pads
Absorbency Level	Super (for regular to heavy flow)
Material Features	Organic, Vegan, Plastic-free, Perfume-free, Chlorine-free
