

Electric Detroit XI

Electric Detroit XL Polarized Sunglasses User Manual

Model: Detroit XL (EE12101603)

INTRODUCTION

The Electric Detroit XL Polarized Sunglasses are designed with a focus on function and durability. Utilizing proprietary construction techniques and high-quality materials, these sunglasses offer optimal performance and comfort. The design prioritizes eye protection and visual clarity, making them suitable for various conditions.

Electric Visual is a recognized manufacturer of eyewear, with products rigorously tested to meet high standards. This manual provides essential information for the proper use, care, and maintenance of your Electric Detroit XL sunglasses.

KEY FEATURES

- **Made in Italy:** Ensures high-quality craftsmanship and materials.
- **Lifetime Warranty:** Provides long-term assurance for product durability.
- **Blue Light Blocking, Melanin-Infused Lenses:** Designed to reduce eye strain and enhance visual clarity by filtering harmful blue light.
- **Lightweight Grilamid Impact-Resistant Frames:** Offers durability and comfort for extended wear.
- **Polarized Lenses:** Reduces glare from reflective surfaces, improving visual comfort and clarity.
- **Includes Repreve Microfiber Sunglass Bag:** A sustainable accessory made from recycled plastics, ideal for cleaning and storage.

SETUP

Unboxing and Initial Inspection

Upon receiving your Electric Detroit XL sunglasses, carefully remove them from their packaging. Inspect the frames and lenses for any visible damage or defects that may have occurred during shipping. Ensure the included Repreve microfiber bag is present.

Fitting

Gently place the sunglasses on your face. The frames should rest comfortably on your nose bridge without pinching, and the temples should extend back to your ears without causing pressure. If the fit feels too loose or too tight, minor adjustments to the temple arms may be possible by a qualified optician to ensure optimal comfort and stability.

OPERATING INSTRUCTIONS

Wearing Your Sunglasses

The Electric Detroit XL sunglasses are designed for daily wear and outdoor activities. The polarized lenses are particularly effective in reducing glare from surfaces like water, snow, and roads, making them ideal for driving, fishing, and other outdoor sports.

UV Protection

These sunglasses provide significant protection against harmful UVA and UVB rays. While they offer excellent sun protection, they are not intended for direct observation of the sun or for use as industrial eye protection.

MAINTENANCE AND CARE

Cleaning Your Lenses and Frames

To clean your sunglasses, use the provided Repreve microfiber bag or a clean, soft, lint-free cloth. For stubborn smudges, lightly dampen the cloth with clean water or a specialized lens cleaning solution. Avoid using paper towels, clothing, or harsh chemical cleaners, as these can scratch the lenses or damage the frame finish.

Storage

When not in use, store your sunglasses in their protective bag or a hard case to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme heat (e.g., on a car dashboard), as prolonged exposure can warp the frame or damage the lens coatings.

TROUBLESHOOTING

- **Lenses appear smudged or dirty:** Clean thoroughly with the microfiber cloth and, if necessary, a lens cleaning solution. Ensure the cloth is clean and free of debris.
- **Sunglasses feel loose:** The frame may require minor adjustment. It is recommended to visit a professional optician for precise adjustments to avoid damaging the frame.
- **Distorted vision:** Ensure lenses are clean. If distortion persists, inspect lenses for scratches or damage. Contact customer support if the issue is not resolved by cleaning.
