Case Logic CL-BT001

Case Logic CL-BT001 Bluetooth Handsfree Headset User Manual

Model: CL-BT001

INTRODUCTION

This manual provides instructions for the proper use and maintenance of your Case Logic CL-BT001 Bluetooth Handsfree Headset. Please read this manual thoroughly before using the device to ensure optimal performance and longevity.

Image 1: Case Logic CL-BT001 Bluetooth Handsfree Headset. This image displays the compact, black Bluetooth headset with its ear hook and main body, featuring a subtle logo or indicator light on the side.

PACKAGE CONTENTS

Ensure all items are present in the package:

- Case Logic CL-BT001 Bluetooth Handsfree Headset
- USB Charging Cable (*Note: Some packages may not include a charging cable. Please verify upon receipt.*)
- User Manual

SETUP

1. Charging the Headset

Before initial use, fully charge the headset. Connect the USB charging cable to the headset's charging port and plug the other end into a USB power source (e.g., computer, wall adapter). The indicator light will show charging status and turn off or change color when fully charged.

- **Charging Time:** Approximately 2-3 hours for a full charge.
- **Battery Life:** Up to 4.4 hours talk time, up to 100 hours standby time.

2. Pairing with a Bluetooth Device

1. Ensure the headset is turned off.
2. Press and hold the Multi-function button (usually the main button on the headset) for approximately 5-7 seconds until the indicator light flashes red and blue alternately. This indicates pairing mode.
3. On your Bluetooth-enabled device (e.g., smartphone, tablet), go to the Bluetooth settings and enable Bluetooth.
4. Search for available devices. The headset should appear as "CL-BT001" or "Case Logic Headset".
5. Select the headset from the list to connect. If prompted for a passcode, enter "0000" (four zeros).
6. Once successfully paired, the indicator light on the headset will flash blue periodically.

Note: The pairing process may vary slightly depending on your Bluetooth device. Refer to your device's manual for specific instructions.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Press and hold the Multi-function button for 3 seconds until the blue indicator light flashes.
- **Power Off:** Press and hold the Multi-function button for 3 seconds until the red indicator light flashes briefly and then turns off.

Call Management

- **Answer Call:** Press the Multi-function button once.
- **End Call:** Press the Multi-function button once during a call.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds when a call comes in.
- **Redial Last Number:** Double-press the Multi-function button when not on a call.

Volume Control

Use the Volume Up (+) and Volume Down (-) buttons on the headset to adjust the call or media volume.

- **Increase Volume:** Press the Volume Up (+) button.
- **Decrease Volume:** Press the Volume Down (-) button.

MAINTENANCE

- **Cleaning:** Wipe the headset with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the headset regularly, even if not in use for extended periods.
- **Water Exposure:** This headset is not waterproof. Avoid exposure to water or excessive moisture.

TROUBLESHOOTING

Problem	Solution
Headset does not turn on.	Ensure the headset is fully charged. Connect it to a power source and allow it to charge for at least 30 minutes before attempting to power on again.
Cannot pair the headset with my device.	<ul style="list-style-type: none"> • Ensure the headset is in pairing mode (flashing red and blue). • Make sure Bluetooth is enabled on your device. • Move the headset closer to your device (within 1 meter). • Turn off and on Bluetooth on your device, then try searching again. • If previously paired, delete the headset from your device's Bluetooth list and re-pair.
No audio or poor audio quality.	<ul style="list-style-type: none"> • Ensure the headset is connected to your device. • Adjust the volume on both the headset and your connected device. • Move closer to your device to avoid interference. • Check if the headset is selected as the audio output device on your phone.
Headset not charging.	<ul style="list-style-type: none"> • Verify the charging cable is securely connected to both the headset and the power source. • Try a different USB port or power adapter. • Inspect the charging cable for any damage.
