## 2. FEATURES

- **Color:** Distinctive blue with yellow zippers and handles.
- **Material:** Made from 100% polypropylene, ensuring durability and water resistance.
- **Dimensions:** Approximately 28 inches (Length) x 13 inches (Depth) x 11 inches (Height).
- **Load Capacity:** Capable of holding up to 55 pounds.
- **Volume:** Offers a generous volume of 20 gallons.
- **Handles:** Equipped with two sets of handles for easy carrying, including shorter handles for hand-carrying and longer handles for shoulder-carrying or backpack style.
- **Closure:** Features a double-sided zipper for secure closure and easy access.

## 3. SETUP AND OPERATING INSTRUCTIONS

### 3.1 Unfolding and Preparing the Bag

The Frakta bag comes folded for compact storage. To prepare for use:

1. Carefully unfold the bag from its compact state.
2. Open the double-sided zipper completely to expand the bag to its full capacity.
3. Ensure the bottom of the bag is flat to maximize internal space.

### 3.2 Filling the Bag

When filling the bag, distribute weight evenly to maintain balance and prevent strain on the material. Do not exceed the maximum load capacity of 55 pounds or the 20-gallon volume.

### 3.3 Carrying the Bag

The Frakta bag offers multiple carrying options:

- **Hand Carry:** Use the shorter handles for convenient hand-carrying, especially for lighter loads.
- **Shoulder Carry:** Utilize the longer handles to carry the bag over your shoulder, distributing weight more comfortably.
- **Backpack Style:** For heavier or bulkier items, the longer handles can be used to carry the bag like a backpack, as shown in Figure 3.

#### 4. CARE AND MAINTENANCE

To ensure the longevity of your IKEA Frakta Storage Bag, follow these care instructions:

- **Cleaning:** Clean the bag with lukewarm water. A soft cloth or sponge can be used for wiping.
- **Drying:** Allow the bag to air dry completely before folding and storing to prevent mildew.
- **Storage:** When not in use, fold the bag flat for compact storage.
- **Avoid:** Do not machine wash, tumble dry, iron, or dry clean the bag. Avoid using harsh detergents or bleach.

## 6. TROUBLESHOOTING

- **Zipper Issues:** If the zipper becomes stiff, ensure no fabric is caught. Apply a small amount of zipper lubricant if necessary. Avoid forcing the zipper.
- **Overfilling:** Exceeding the stated load capacity or volume can strain the material and seams. If the bag feels too heavy or is bulging excessively, remove some items.
- **Tears or Punctures:** While durable, sharp objects can damage the bag. Avoid placing sharp items directly against the material. Small tears may be repaired with strong adhesive tape designed for fabric or tarps.
