- Background information illustrations.

WHAT'S IN THE BOX?

The kit includes pre-cut pieces and an instruction booklet.

SETUP AND ASSEMBLY

No tools or glue are required for the assembly of this 3D puzzle. The pieces are designed to interlock securely.

General Assembly Steps:

1. **Review Instructions:** Carefully examine the 3D illustration instructions booklet. Familiarize yourself with the overall structure and the sequence of assembly.
2. **Identify Pieces:** Locate the numbered pieces on the foam boards. Gently push out each piece as needed. Do not

force pieces if they are stuck; use a blunt object to assist if necessary.

3. **Follow Sequence:** Assemble the model by following the step-by-step illustrations provided in the manual. Each step will indicate which pieces to connect.
4. **Secure Connections:** Ensure all pieces are firmly connected. The design allows for a snug fit, which contributes to the model's stability.
5. **Sails and Masts:** Pay close attention to the assembly of the masts and sails, as these often require careful alignment.

The assembly process is of medium to high complexity and is estimated to take approximately 4 hours. Take your time and enjoy the process.

OPERATING INSTRUCTIONS (POST-ASSEMBLY)

Once assembled, your CubicFun HMS Victory model is ready for display. It is not designed for functional operation as a toy boat in water.

- **Display:** Place the model on a stable, flat surface away from direct sunlight and excessive humidity to preserve its condition.
- **Handling:** Handle the model carefully, especially the delicate mast and sail components, to avoid damage.

MAINTENANCE

To maintain the appearance and longevity of your assembled HMS Victory model:

- **Cleaning:** Dust the model gently with a soft, dry cloth or a soft brush. Avoid using water or cleaning solutions, as these can damage the paper and foam board materials.
- **Storage:** If storing the model, ensure it is placed in a dry environment, protected from dust and physical impact.

TROUBLESHOOTING

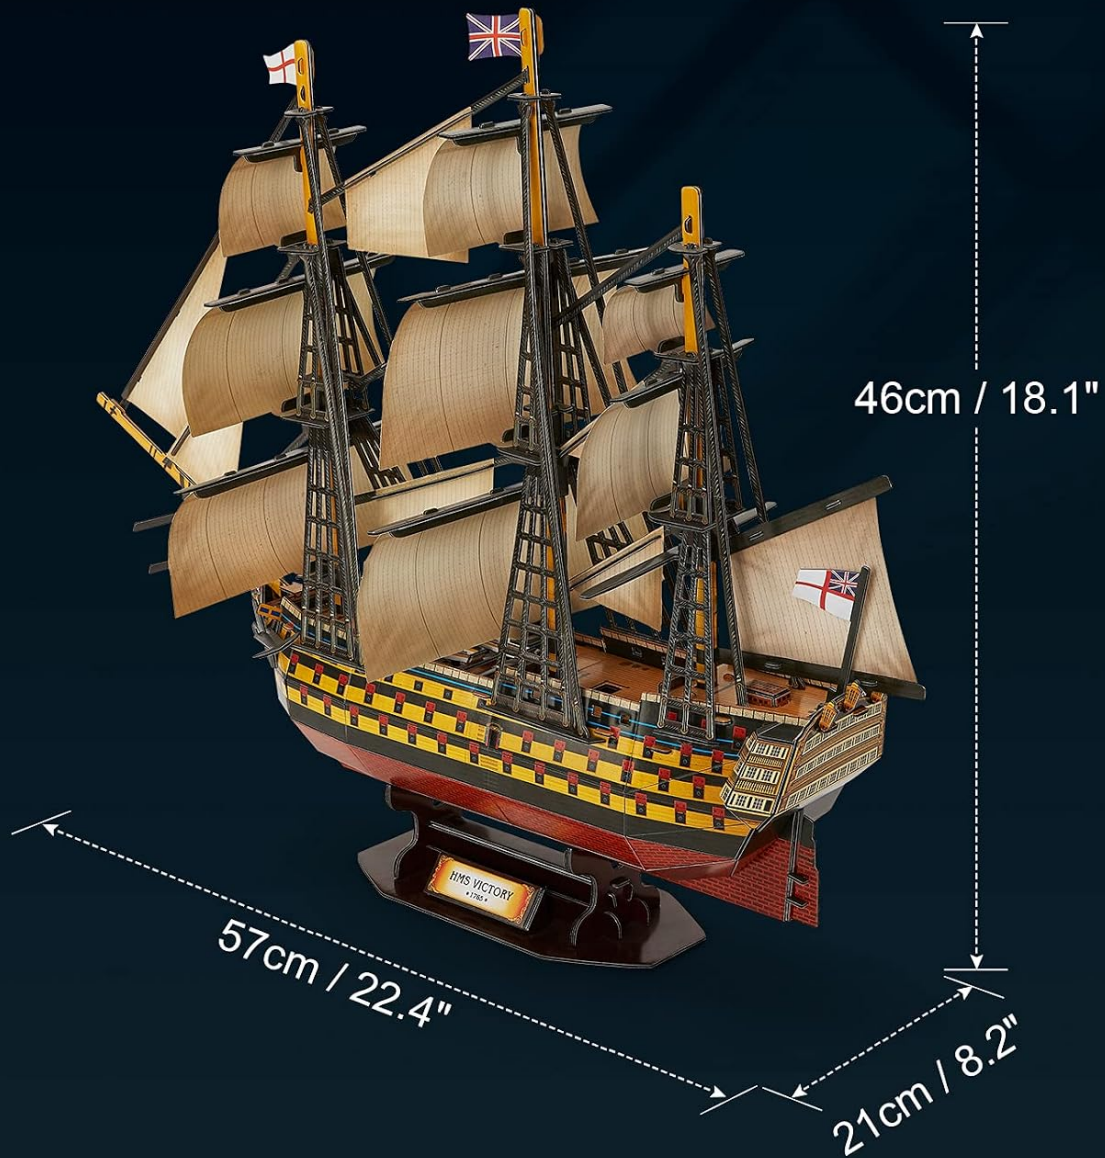

If you encounter difficulties during assembly, consider the following:

- **Pieces Not Fitting:** Double-check the piece numbers against the instructions. Ensure the orientation of the pieces is correct. Do not force pieces, as this can cause damage.
- **Loose Connections:** If a connection feels loose, verify that the tabs are fully inserted into their corresponding slots. Gentle pressure can help secure them.
- **Missing Pieces:** Carefully check all foam boards and packaging for any overlooked pieces. If a piece is genuinely missing, contact CubicFun customer support.
