

Nexus REVOS

Nexus Revo Stealth Remote Control Rotating Prostate Massager User Manual

Model: REVOS | Brand: Nexus

1. INTRODUCTION

This manual provides essential information for the safe and effective use of your Nexus Revo Stealth Remote Control Rotating Prostate Massager. Please read these instructions thoroughly before first use and retain for future reference. The Nexus Revo Stealth combines a rotating shaft with a perineum vibrator, offering a versatile experience controlled by a wireless remote.

2. SAFETY INFORMATION

- **Water Resistance:** The device is water-resistant and can be cleaned with water, but it is **not designed to be submerged** in water. Submerging the device may cause damage and void the warranty.
- **Lubrication:** Use only **water-based lubricants** with this product. Oil-based or silicone-based lubricants may degrade the silicone material over time.
- **Cleaning:** Clean the device thoroughly before and after each use as described in the 'Cleaning and Care' section.
- **Storage:** Store the device in a cool, dry place, away from direct sunlight and extreme temperatures. Keep out of reach of children.
- **Discontinue Use:** If you experience any discomfort, pain, or irritation during use, discontinue use immediately. Consult a healthcare professional if symptoms persist.
- **Damage:** Do not use the device if it appears damaged or if the silicone is torn.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- 1 x Nexus Revo Stealth Massager

- 1 x Remote Control
- 1 x Magnetic Charging Pad
- 1 x Universal USB Charging Cable

4. SETUP

4.1 Initial Charging

Before first use, fully charge your Nexus Revo Stealth. Refer to the 'Charging' section for detailed instructions. The device requires approximately 3.5 hours for a full charge.

4.2 Remote Control

The remote control comes with a CR2 battery included. Ensure the battery is correctly inserted. The remote is designed for immediate use once the device is charged.

5. OPERATING INSTRUCTIONS

The Nexus Revo Stealth offers dual stimulation with a rotating shaft and a perineum vibrator, controlled wirelessly by the remote.

Image: The Nexus Revo Stealth massager and its remote control, illustrating the two main components of the system.

5.1 Power On/Off

- To turn on the massager, press and hold the power button on the device or the remote control until the indicator light illuminates.
- To turn off, press and hold the power button again until the light extinguishes.

5.2 Rotation Control

The rotating shaft features 2 speeds. Use the rotation button on the remote control to cycle through the available speeds.

5.3 Vibration Control

The perineum vibrator offers 6 levels of intensity. Use the vibration button on the remote control to select your preferred setting.

5.4 Combination Modes

The Nexus Revo Stealth provides a total of 12 unique combinations by mixing the rotation speeds and vibration levels. Experiment with different settings to find your desired experience.

5.5 Remote Control Range

The remote control operates effectively up to 8 meters (approximately 26 feet) from the device, allowing for discreet and convenient control.

Your browser does not support the video tag.

6. CHARGING

The Nexus Revo Stealth is fully rechargeable using the included magnetic charging pad and universal USB cable.

- Connect the USB cable to the magnetic charging pad.
- Attach the magnetic charging pad to the designated charging port on the massager. Ensure a secure connection.
- Plug the USB cable into a compatible power source, such as a PC, Mac, or a USB wall adapter (not included).
- A full charge takes approximately 3.5 hours and provides up to 10 hours of use.

7. CLEANING AND CARE

Proper cleaning and care will extend the lifespan of your Nexus Revo Stealth.

- **Before and After Each Use:** Clean the massager thoroughly with warm water and a mild, toy-safe soap.
- **Rinsing:** Rinse the device completely under running water to remove all soap residue.
- **Drying:** Pat dry with a lint-free cloth or allow to air dry completely before storing.
- **Do Not Submerge:** As the device is water-resistant, not waterproof, do not submerge it in water.
- **Lubricants:** Always use water-based lubricants to protect the silicone material.

8. TROUBLESHOOTING

If you encounter issues with your Nexus Revo Stealth, refer to the following common solutions:

- **Device Not Turning On:** Ensure the device is fully charged. Connect it to the charger for at least 30 minutes before attempting to power on again.
- **Remote Control Not Responding:** Check the battery in the remote control. Replace if necessary. Ensure you are within the 8-meter operating range.
- **Weak Performance:** A weak rotation or vibration may indicate a low battery. Recharge the device fully.
- **Charging Issues:** Ensure the magnetic charging pad is securely connected to both the device and the USB power source. Try a different USB port or wall adapter.

If problems persist after attempting these steps, please contact customer support.

9. SPECIFICATIONS

Feature	Detail
Model Number	REVOS
Dimensions (L x W x H)	18.5 x 18.2 x 5.3 inches
Weight	1.28 ounces
Material	Silicone, Plastic
Color	Black
Battery Type	Rechargeable (device), 1 CR2 (remote)
Charge Time	Approx. 3.5 hours
Play Time	Up to 10 hours
Remote Range	Up to 8 meters

10. WARRANTY AND SUPPORT

10.1 Manufacturer's Warranty

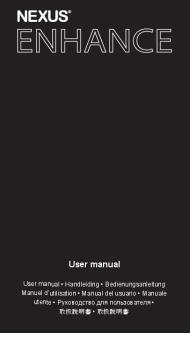

The Nexus Revo Stealth is protected by a one-year manufacturer's warranty from the date of purchase. This warranty covers defects in materials and workmanship under normal use. It does not cover damage caused by misuse, accidents, unauthorized modifications, or failure to follow the instructions in this manual.

10.2 Customer Support

For warranty claims, technical assistance, or any questions regarding your Nexus Revo Stealth, please contact Nexus customer support through their official website or the retailer where the product was purchased. Please have your proof of purchase and model number (REVOS) ready when contacting support.
