JERDON JRT910CL

JERDON Lighted Tabletop Makeup Vanity Mirror

Model: JRT910CL

Introduction

This instruction manual provides comprehensive details for the JERDON Lighted Tabletop Makeup Vanity Mirror, Model JRT910CL. It covers essential information regarding the product's features, proper setup, operational guidelines, maintenance procedures, and technical specifications. Adhering to these instructions will ensure optimal performance and longevity of your mirror.

Product Features

- **Tabletop Design:** A sleek, rectangular mirror designed for placement on vanities or bathroom counters. Its modern chrome finish base complements various home decor styles.
- **Halo Lighting:** Features integrated halo lighting around the perimeter of the rectangular frame, providing bright illumination for detailed tasks.
- **5X Magnification:** Equipped with 5X magnification, facilitating precise grooming and makeup application.
- **Adjustable Tilt:** The mirror head offers a smooth tilt function for adjusting the viewing angle.
- **Power Cord Operation:** Operates via a power cord and plug, eliminating the need for batteries.
- **Durable Construction:** Built with a lightweight yet stable base, ensuring easy mobility and stability.

Setup Instructions

1. **Unpacking:** Carefully remove all components from the packaging. Inspect the mirror and its base for any signs of damage. Retain packaging for future storage or transport.
2. **Placement:** Place the mirror on a stable, flat surface such as a vanity, dresser, or bathroom counter. Ensure there is sufficient space around the mirror for comfortable use and access to the power outlet.
3. **Power Connection:** Locate the power cord attached to the base of the mirror. Insert the plug firmly into a standard electrical outlet (120V AC).

Figure 2: The mirror positioned on a bathroom counter, demonstrating its suitable placement.

Operating Instructions

1. **Powering On/Off:** Locate the power switch on the base of the mirror. Flip the switch to the 'ON' position to activate the halo lighting. Flip it to the 'OFF' position to turn off the light.
2. **Adjusting Tilt:** Gently grasp the sides of the mirror frame and tilt it forward or backward to achieve your desired viewing angle. The mirror is designed to hold its position once adjusted.
3. **Using Magnification:** The mirror features 5X magnification. For detailed tasks such as makeup application or grooming, position your face closer to the mirror to utilize the magnified view.

Maintenance

- **Cleaning the Mirror Surface:** Use a soft, lint-free cloth and a non-abrasive glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, then wipe the surface gently. Avoid harsh chemicals or abrasive materials.
- **Cleaning the Base and Frame:** Wipe the chrome base and frame with a soft, damp cloth. Dry immediately with a clean, dry cloth to prevent water spots.
- **Storage:** If storing the mirror, ensure it is clean and dry. Store in its original packaging or a protective cover in a cool, dry place to prevent dust accumulation and potential damage.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Light does not turn on.	Power cord not fully plugged in; power outlet not active; switch in 'OFF' position.	Ensure power cord is securely plugged into a working outlet. Check that the power switch on the base is in the 'ON' position.
Mirror appears unstable.	Placed on an uneven surface.	Relocate the mirror to a flat, stable surface.
Reflection is distorted or blurry.	Incorrect distance from magnified side; dirty mirror surface.	Adjust your distance from the mirror when using the magnified side. Clean the mirror surface as per maintenance instructions.
