GDFStudio Luna Acacia Wood Accent Table Instruction Manual

Model: 295292

INTRODUCTION

Welcome to your new GDFStudio Luna Acacia Wood Accent Table. This manual provides essential information for assembly, care, and maintenance to ensure the longevity and proper use of your furniture. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- **Assembly:** Always follow the provided instructions. Ensure all components are correctly installed and tightened before use.
- **Pinch Points:** Be cautious of pinch points when opening or closing the drawer. Keep fingers clear of moving parts.
- **Stability:** To ensure stability, place the table on a flat, even surface. Avoid placing it on uneven flooring or rugs that may cause instability.
- **Overload Warning:** Do not overload the table. The maximum weight recommendation for this table is 50 pounds. Exceeding this limit may cause the table to tip or collapse.
- **Children:** Always supervise children when they are near the table to prevent accidents. Do not allow children to climb on or play with the furniture.

PARTS LIST

Before assembly, carefully unpack all components and verify that all parts are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- **A. Table Body:** 1 piece (Includes pre-assembled drawer and open shelf)
- **B. Table Legs:** 4 pieces
- **C. Drawer Handle:** 1 piece
- **D. Assembly Hardware:** (Screws, washers, Allen wrench, etc. - specific quantities will be in packaging)

SETUP AND ASSEMBLY

Assembly of the GDFStudio Luna Accent Table is minimal, primarily involving attaching the legs and drawer handle. It is recommended that two people assemble this product for ease and safety.

1. Step 1: Unpack Components

Carefully remove all parts from the packaging. Place them on a soft, clean surface (e.g., a blanket or carpet) to prevent scratches during assembly.

2. Step 2: Attach Legs

Identify the four table legs (Part B). Align each leg with the pre-drilled holes on the underside of the table body (Part A). Secure each leg using the provided hardware (Part D). Ensure all connections are tight but do not overtighten.

3. Step 3: Install Drawer Handle

Locate the drawer handle (Part C) and the corresponding screws from the hardware pack (Part D). Attach the handle to the front of the drawer.

4. Step 4: Position Table

Once assembled, carefully lift the table and place it in its desired location. Ensure it is stable and level.

Tools Recommended: A hammer may be useful for minor adjustments if needed, though not typically required for primary assembly.

OPERATING INSTRUCTIONS

The Luna Accent Table features a single drawer and an open bottom shelf for convenient storage and display.

- **Drawer Use:** To open the drawer, gently pull the handle. To close, push the drawer back until it is flush with the table front. Avoid forcing the drawer, as this can damage the glides.
- **Shelf Use:** The open bottom shelf can be used to store books, magazines, or decorative items. Ensure that items placed on the shelf do not exceed the table's overall weight capacity of 50 pounds.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and extend the life of your accent table.

- **Cleaning:** Wipe the table with a dry, soft cloth. Avoid abrasive cleaners, harsh chemicals, or polishes that may damage the natural wood finish or metal frame.
- **Spills:** Immediately wipe any spills with a soft, dry cloth to prevent staining or water damage to the wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading, discoloration, or cracking of the wood.
- **Heat and Moisture:** Protect the surface from extreme heat and moisture. Always use coasters under beverages and hot items to prevent rings and damage.

- **Inspections:** Periodically check all hardware connections and tighten if necessary to ensure the table remains stable.

TROUBLESHOOTING

If you encounter any issues with your accent table, refer to the following common solutions:

- **Table Wobbles:**

Ensure the table is placed on a flat, even surface. Check and tighten all leg connections. If the wobbling persists, consider using furniture levelers (not included) under the legs to adjust for uneven floors.

- **Drawer Sticks or Does Not Slide Smoothly:**

Ensure the drawer is properly aligned on its glides. Avoid overloading the drawer, as excessive weight can cause it to stick. Check for any obstructions within the drawer glides. If the issue persists, gently remove the drawer and inspect the glides for damage or debris.

- **Minor Scratches or Dents on Wood:**

For minor surface imperfections, furniture repair markers or waxes specifically designed for acacia wood can be used to blend the damage. For significant damage, consult a professional furniture repair specialist.

SPECIFICATIONS

Feature	Detail
Brand	GDFStudio
Model Name	Luna
Model Number	295292
Product Dimensions (D x W x H)	15.5"D x 20.25"W x 22.5"H
Item Weight	30.86 Pounds
Maximum Weight Recommendation	50 Pounds
Material Type	Acacia Wood (Top), Iron (Base)
Color	Natural Stain
Number of Drawers	1
Number of Shelves	1
Indoor/Outdoor Usage	Indoor
Recommended People for Assembly	2
