Welcome to the Hasbro Gaming Monopoly Empire Game! This exciting twist on the classic Monopoly game challenges players to build an empire of world-famous brands. This manual provides all the necessary information to get started, understand the game rules, and ensure an enjoyable experience for all players aged 8 and up.

## 4. How to Play (OPERATING INSTRUCTIONS)

### 4.1 Game Objective

The objective of Monopoly Empire is to be the first player to completely fill their personal tower with billboards. Each billboard represents a brand you own.

### 4.2 Player Turn Sequence

On your turn, follow these steps:

1. **Roll the Dice:** Roll both dice and move your token clockwise around the board the number of spaces indicated.
2. **Action Based on Landing Space:** The action you take depends on the space you land on.

### 4.3 Types of Spaces and Actions

- **Brand Spaces:**

- If you land on an unowned Brand Space, you may buy it for the price indicated. Pay the Banker, then take the corresponding Billboard Tile and slide it into your tower.
- If you land on a Brand Space owned by another player, you must pay them the rent. The rent value is determined by the current value of their tower (the number of billboards they have).

- If you own all brands of a color set, the rent for those brands doubles.
- **GO:** When you pass or land on GO, collect the current value of your tower from the Banker. The value is printed on the side of your tower.
- **Chance or Empire:** Draw the top card from the respective deck and follow its instructions. Return the card to the bottom of the deck after use.
- **Utility Spaces (e.g., Water Works, Electric Company):** If unowned, you may buy it. If owned, pay rent based on the dice roll.
- **Railroad Spaces:** If unowned, you may buy it. If owned, pay rent based on the number of railroads the owner possesses.
- **Tax Spaces:** Pay the indicated tax to the Banker.
- **Just Visiting / Jail:** If you land on "Just Visiting," do nothing. If you land on "Go to Jail," move your token directly to Jail. You do not collect money for passing GO.
- **Free Parking:** Do nothing.

#### 4.4 Building Offices

Once you own all brands of a color set, you can buy an Office Tile. An Office Tile counts as an additional billboard in your tower, helping you reach the top faster. You can only have one Office Tile per color set.

Image 3: A player placing a brand billboard tile into their personal tower.

This image shows a close-up of a player's hands carefully sliding a small, rectangular brand billboard tile into one of the slots on their blue plastic tower. The game board and other components are visible in the background.

#### 4.5 Trading and Selling

Players can trade Brand Tiles and money with each other at any time. You can also sell Brand Tiles back to the bank for half their purchase price.

## 4.6 Winning the Game

The first player to completely fill their tower with Billboard Tiles (including any Office Tiles) wins the game!
