BURBERRY BE4181

BURBERRY BE4181 Square Sunglasses User Manual

Model: BE4181

INTRODUCTION

This manual provides essential information for the proper use, care, and maintenance of your BURBERRY BE4181 Square Sunglasses. Designed with an acetate frame and scratch-resistant lenses offering 100% UV protection, these sunglasses are crafted for durability and visual clarity. Please read this manual thoroughly to ensure optimal performance and longevity of your eyewear.

PRODUCT FEATURES

- **Frame and Temples:** Constructed from durable acetate in a black finish (3001/87).
- **Lenses:** Grey, scratch-resistant lenses providing 100% UV protection. Lens Category 3.
- **Nose Guards:** Integrated design for comfortable wear.
- **Branding:** Features the BURBERRY brand name logo on the inner right temple and iconic check detail on the outer temples.
- **Design:** Fashion square style, suitable for unisex wear. Most complementary face shapes include oval and round.
- **Origin:** Made in Italy.

SETUP AND INITIAL USE

1. **Unboxing:** Carefully remove the sunglasses from their packaging.
2. **Inspection:** Inspect the sunglasses for any visible damage or defects.
3. **Protective Case:** A protective case is included to safeguard your sunglasses when not in use. Always store them in this case to prevent scratches and damage.
4. **Cleaning:** Before first use, gently clean the lenses with the provided cleaning cloth or a soft, lint-free cloth.

OPERATING INSTRUCTIONS

To wear your BURBERRY BE4181 Square Sunglasses, gently unfold the temples and place them over your ears. The integrated nose guards are designed for a comfortable fit. Ensure the sunglasses sit securely on your face without causing discomfort or slipping.

These sunglasses are designed for general use and provide effective protection against harmful UV rays. They are suitable for various outdoor activities where sun protection is required.

CARE AND MAINTENANCE

- **Cleaning Lenses:** Use a soft, lint-free cloth, preferably the one provided, to clean the lenses. For stubborn smudges, use a specialized lens cleaning spray or mild soap and water, then dry thoroughly. Avoid using abrasive materials or harsh chemicals, as these can damage the scratch-resistant coating.
- **Cleaning Frame:** Wipe the acetate frame and temples with a soft, damp cloth.
- **Storage:** Always store your sunglasses in their protective case when not in use. Avoid leaving them in direct sunlight or extreme temperatures (e.g., on a car dashboard), as this can cause warping or damage to the frame and lenses.
- **Handling:** Handle your sunglasses by the frame, not the lenses, to prevent smudges and potential damage.

TROUBLESHOOTING

- **Loose Screws:** If the temple screws become loose, they can often be tightened with a small eyewear screwdriver. Avoid overtightening.
- **Uncomfortable Fit:** If the sunglasses feel too tight or too loose, or sit unevenly, a professional optician can often adjust the frame for a better fit.
- **Scratched Lenses:** While lenses are scratch-resistant, they are not scratch-proof. Minor scratches may be polished by a professional, but deep scratches may require lens replacement. Proper storage in the protective case is key to preventing scratches.
- **California's Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, visit www.P65Warnings.ca.gov.

SPECIFICATIONS

Feature	Detail
Model Number	BE4181 (Item model number: 4181)

Frame/Temple Color	Black - 3001/87
