Solano L Desk User Manual

Model: ZL205-01LD | Brand: Z-Line Designs

INTRODUCTION

Thank you for choosing the Solano L Desk by Z-Line Designs. This contemporary "L" desk configuration features a sandy black finish and clear tempered safety glass desktops. Designed for strength and durability with reinforced plates on all welding joints, this spacious desk is ideal for any home or office environment. Please read this manual thoroughly before assembly and use to ensure proper setup and longevity of your product.

SAFETY INFORMATION

Please observe the following safety precautions to prevent injury and damage to the product:

- Always assemble the desk on a soft, non-abrasive surface to prevent scratching the glass or frame.
- Ensure all bolts and screws are securely tightened before using the desk. Periodically check and re-tighten as needed.
- Do not overload the desk. Distribute weight evenly across the surface.
- Keep small parts and packaging materials away from children and pets to avoid choking hazards.
- Avoid placing hot items directly on the glass surface without a protective coaster.
- Do not stand or sit on the desk.
- Use caution when handling glass components to prevent breakage or injury.

PARTS LIST

Before beginning assembly, verify that all parts listed below are present. If any parts are missing or damaged, please contact customer support.

| Part | Description | Quantity |
|------|---|----------|
| A | Left Desk Frame | 1 |
| B | Right Desk Frame | 1 |
| C | Corner Frame | 1 |
| D | Left Glass Top | 1 |
| E | Right Glass Top | 1 |
| F | Corner Glass Top | 1 |
| G | Crossbars | 4 |
| H | Metal Mesh Panels | 2 |
| I | Adjustable Feet | 6 |
| J | Hardware Pack (Screws, Washers, Allen Wrench) | 1 |

ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have two people for assembly, especially when handling glass components.

Step 1: Unpack and Identify Parts

Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Compare each part to the Parts List to ensure everything is accounted for.

Step 2: Assemble Left and Right Desk Frames

Attach the crossbars (G) to the vertical supports of the Left Desk Frame (A) and Right Desk Frame (B) using the provided screws from the Hardware Pack (J). Ensure all connections are finger-tight at this stage.

Figure 3: Example of a reinforced joint on the desk frame, illustrating the connection points for assembly.

Step 3: Attach Metal Mesh Panels

Secure the Metal Mesh Panels (H) to the lower sections of the Left and Right Desk Frames using the designated screws. These panels provide additional stability and a decorative accent.

Step 4: Assemble Corner Frame

Connect the components of the Corner Frame (C) as per the diagram in the separate assembly sheet (not provided in this text). This frame will link the left and right sections.

Step 5: Connect All Frames

Carefully align and connect the Left Desk Frame (A), Right Desk Frame (B), and Corner Frame (C) using the remaining screws and the Allen wrench from the Hardware Pack (J). Once all sections are connected, fully tighten all screws across the entire frame structure.

Figure 4: Side profile of the assembled desk frame, illustrating the L-shape and structural integrity before glass installation.

Step 6: Place Glass Tops

With assistance, carefully place the Left Glass Top (D), Right Glass Top (E), and Corner Glass Top (F) onto their respective frame sections. Ensure the glass tops are properly seated and aligned with the frame's suction cups or rubber pads (if included).

Step 7: Attach Adjustable Feet

Screw the Adjustable Feet (I) into the bottom of each leg of the assembled desk. Adjust the feet as needed to level the desk on uneven surfaces.

OPERATING INSTRUCTIONS

The Solano L Desk is designed for versatile use in home or office environments. Once assembled and leveled, it provides a stable and spacious work surface. Utilize the L-shape for multi-monitor setups, dedicated work zones, or to maximize corner space. The tempered glass surface is suitable for various office equipment, including computers, monitors, and peripherals.

MAINTENANCE

To maintain the appearance and longevity of your Solano L Desk:

- **Glass Surfaces:** Clean glass tops with a soft, lint-free cloth and a glass cleaner. Avoid abrasive cleaners or scouring pads that could scratch the surface.
- **Metal Frame:** Wipe the metal frame with a damp cloth and mild soap if necessary. Dry thoroughly to prevent rust. Do not use harsh chemicals or abrasive materials.
- **General Care:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Protection:** Use coasters for drinks and protective pads under heavy or sharp objects to prevent scratches and damage to the glass.

TROUBLESHOOTING

If you encounter any issues with your Solano L Desk, refer to the following common problems and solutions:

| Problem | Possible Cause | Solution |
|-------------------------------|--|--|
| Desk is wobbly or unstable. | Loose screws or uneven floor. | Ensure all assembly screws are fully tightened. Adjust the adjustable feet on the bottom of the legs to level the desk. |
| Glass top does not sit flush. | Frame not assembled squarely or debris on frame. | Check that the metal frame is assembled correctly and is square. Remove any debris from the frame where the glass rests. |
| Scratches on glass. | Abrasive cleaning materials or sharp objects. | Use only soft cloths and non-abrasive cleaners. Always use protective pads under items that could scratch the glass. |
