3. Setup

The dbest products Trolley Dolly comes with little to no assembly required. It is designed for quick and easy deployment.

1. **Unfolding the Cart:** Gently pull the frame apart until it fully extends and locks into place. Ensure all joints are securely engaged.
2. **Attaching the Bag:** If the bag is not already attached, align the bag with the cart frame and secure it using the designated straps or fasteners. Ensure the bag sits properly on the base of the cart.
3. **Checking Wheels:** Verify that the oversized wheels are securely attached and rotate freely.

4. Operating Instructions

The Trolley Dolly is designed for versatile use in various scenarios.

4.1. General Use

- **Loading Items:** Place items inside the main compartment of the bag. Utilize the seven additional compartments for smaller items, a beverage, or personal belongings.
- **Transporting:** Hold the comfort cushion handle and pull the cart behind you. The oversized wheels are designed to navigate various surfaces with ease, including uneven pavement, sand, and even stairs.
- **Weight Capacity:** Do not exceed the maximum recommended load of 110 pounds (approximately 50 kg) to ensure optimal performance and longevity of the cart.

4.2. Folding for Storage

When not in use, the Trolley Dolly can be quickly folded for compact storage:

1. Empty the bag and remove it from the frame if desired.
2. Locate the folding mechanism (usually a hinge or latch near the base) and disengage it.

3. Fold the frame inward until it collapses into its compact form.

5. Maintenance

Proper maintenance ensures the longevity and optimal performance of your Trolley Dolly.

- **Cleaning the Bag:** The bag is made of weatherproof material. Wipe it clean with a damp cloth and mild soap as needed. Allow it to air dry completely before folding or storing.
- **Frame Care:** The frame is made of alloy steel. Wipe down the frame with a dry cloth to remove dirt and debris. If exposed to moisture, dry thoroughly to prevent rust.
- **Wheel Inspection:** Periodically check the wheels for any debris, wear, or damage. Ensure they spin freely and are securely attached.
- **Storage:** Store the folded Trolley Dolly in a dry place away from extreme temperatures and direct sunlight to preserve its materials.

6. Troubleshooting

This section addresses common issues you might encounter with your Trolley Dolly.

Problem	Possible Cause	Solution
Cart does not fold/unfold smoothly.	Mechanism might be stiff or obstructed.	Ensure no debris is caught in the folding joints. Apply a small amount of silicone lubricant to hinges if necessary.
Wheels are not rolling freely.	Debris caught in the axle or worn bearings.	Remove any tangled hair or debris from around the wheel axles. If the issue persists, contact customer support.
Bag does not stay securely on the frame.	Improper attachment or damaged fasteners.	Re-attach the bag, ensuring all straps and Velcro fasteners are properly secured. Check for any damage to the fasteners.
Cart feels unstable or tips easily.	Overloading or uneven weight distribution.	Ensure the load does not exceed 110 lbs. Distribute weight evenly within the bag. Avoid sharp turns at high speeds.

If you encounter issues not listed here or if the suggested solutions do not resolve the problem, please contact dbest products customer support for assistance.
