

Vont VNT-CL03

Vont 4 Pack LED Camping Lantern (Model VNT-CL03) Instruction Manual

INTRODUCTION

Thank you for choosing the Vont 4 Pack LED Camping Lantern. This versatile and durable lantern is designed to provide bright, reliable illumination for various outdoor activities, emergencies, and everyday use. Its compact, collapsible design and robust construction make it an essential tool for camping, hiking, power outages, and more. This manual will guide you through the setup, operation, maintenance, and troubleshooting of your new Vont LED Camping Lantern.

SETUP

Battery Installation

Each Vont LED Camping Lantern requires 3 AA batteries for operation. The lanterns are typically shipped with batteries included, but they may not be pre-installed. Follow these steps to install or replace the batteries:

1. Locate the battery compartment cover at the bottom of the lantern.
2. Twist the cover counter-clockwise to unlock and remove it.
3. Insert 3 fresh AA batteries, ensuring the correct polarity (+ and - ends) matches the diagrams inside the compartment.
4. Replace the battery compartment cover and twist it clockwise until it is securely locked.

COMPLETELY WEATHER RESISTANT

Built with IP44 water-resistant material
to defy mother nature's worst downpours.

OPERATING INSTRUCTIONS

Turning On/Off and Brightness Control

The Vont LED Camping Lantern features a unique collapsible design that doubles as its power and brightness control mechanism. There are no external switches or buttons.

1. **To Turn On:** Gently pull the top section of the lantern upwards. The LED lights will illuminate as the lantern expands.
2. **To Adjust Brightness:** Continue to pull the top section upwards to increase brightness. Partially collapsing the lantern will decrease the light output.
3. **To Turn Off:** Fully collapse the lantern by pushing the top section downwards until it is completely closed. The lights will turn off.

Using the Handles

The lantern is equipped with two metal handles for convenient carrying and hanging.

- **Carrying:** Hold the lantern by one or both handles for portable illumination.
- **Hanging:** Use the handles to hang the lantern from a tent hook, tree branch, or any suitable overhead support for overhead lighting.

COLLAPSIBLE BRIGHTNESS CONTROL

Adjust the height of the lantern to control the amount of light emitted. No switches or buttons necessary.

Image: Four Vont LED Camping Lanterns are shown on a beach at dusk, illustrating how expanding the lantern increases its brightness. The leftmost lantern is fully collapsed and off, while the rightmost is fully extended and brightest.

FEATURES

- **Bright & Lasting Illumination:** Equipped with 30 high-power LEDs, providing 360 degrees of light output up to 140 lumens. Designed for extended use, offering up to 90 hours of battery life on 3 AA batteries.
- **Compact & Lightweight Design:** Features a collapsible design that allows for easy storage and portability. When collapsed, it is highly compact, fitting easily into backpacks or emergency kits.
- **Water Resistant & Durable:** Constructed with military-grade ABS material, making it water-resistant and capable of surviving impacts from a 10-foot drop. It can also withstand temporary submersion in water.
- **Easy Operation:** No switches or buttons; simply pull to turn on and adjust brightness, and push to turn off.

COLLAPSIBLE & COMPACT DESIGN

Featuring a foldaway handle for easy suspension and portability. Lightweight and compact design

Image: A Vont LED Camping Lantern is displayed in both its collapsed and expanded forms, with a credit card placed nearby to illustrate its compact size. Dimensions are provided in inches and centimeters.

MILITARY-GRADE MATERIALS

Built with long lasting, military-grade materials to withstand the toughest beatings.

MAINTENANCE

To ensure the longevity and optimal performance of your Vont LED Camping Lantern, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior of the lantern with a soft, damp cloth. Do not use abrasive cleaners or solvents, as they may damage the finish or internal components.
- **Battery Care:** If the lantern will not be used for an extended period, remove the batteries to prevent leakage and potential damage to the device. Store batteries in a cool, dry place.
- **Storage:** Store the lantern in a cool, dry place away from direct sunlight and extreme temperatures. Ensure it is fully collapsed when stored to protect the LED array.

TROUBLESHOOTING

If you encounter any issues with your Vont LED Camping Lantern, refer to the following common troubleshooting steps:

- **Lantern Not Turning On:**

- Check if the batteries are installed correctly with the correct polarity.
- Ensure the batteries are fresh and not depleted. Replace if necessary.
- Confirm the lantern is fully extended to activate the light.

- **Dim Light Output:**

- Extend the lantern fully to achieve maximum brightness.
- Replace old or weak batteries with fresh ones.

- **Intermittent Lighting:**

- Ensure the battery compartment cover is securely fastened.
- Check for any loose battery connections.
- Clean battery contacts if they appear corroded.

SPECIFICATIONS

Specification	Value
Model Name	VNT-CL03
Light Source Type	Light Emitting Diode (LED)
Light Output Maximum	140 Lumens
Power Source	Battery Powered
Number of Batteries	3 AA batteries per lantern (included)
Battery Description	Alkaline
Item Weight	0.5 Pounds
Product Dimensions (Collapsed)	3.4"L x 3.4"W x 4.8"H (approx.)
Product Dimensions (Expanded)	3.4"L x 3.4"W x 9.8"H (approx.)
Material	Acrylonitrile Butadiene Styrene (ABS)
Water Resistance Level	Water Resistant
Specification Met	CE, EMC, RoHS

WARRANTY & SUPPORT

Lifetime Warranty

The Vont LED Camping Lantern is backed by a lifetime warranty. It is covered against loss, theft, and defects in materials and workmanship for as long as you own your camping lantern. For warranty claims or further assistance, please contact Vont customer support.

Customer Support

For any questions, technical support, or assistance with your Vont LED Camping Lantern, please visit the official Vont website or contact their customer service department. Contact information can typically be found on the product packaging or the manufacturer's website.
