

DELTA DH-457

DELTA DH-457 Move LA100 Drink & Smartphone Holder User Manual

Model: DH-457 | Brand: DELTA

1. INTRODUCTION AND OVERVIEW

The DELTA DH-457 Move LA100 Drink & Smartphone Holder is an accessory designed to enhance convenience in your vehicle by providing dedicated and secure spaces for your drinks and mobile phone. Its design integrates seamlessly into late model vehicles, offering a practical solution for on-the-go storage.

2. SAFETY INFORMATION

- Ensure the holder is securely installed and does not obstruct the driver's view, vehicle controls, airbags, or any safety features.
- Do not place open containers of hot liquids that could spill and cause burns or damage to vehicle interiors.
- Avoid placing items that could become projectiles during sudden stops or collisions.
- Periodically check the holder's stability and re-secure if necessary.

3. PACKAGE CONTENTS

Please verify that all components are present in the package:

- 1 x DELTA DH-457 Move LA100 Drink & Smartphone Holder

4. SETUP AND INSTALLATION

Follow these steps for proper installation of your drink and smartphone holder:

1. Identify the designated installation area in your vehicle. This holder is designed for specific late model vehicles, typically fitting into the center console or dashboard area.
2. Carefully position the holder in the intended location. Ensure it sits flush and does not interfere with any

existing vehicle components or controls.

3. Press down firmly to secure the holder. Some models may utilize friction fit or require minor adjustments to ensure a snug fit.
4. Verify that the holder is stable and does not wobble or shift during normal vehicle operation.

5. OPERATING INSTRUCTIONS

Using your DELTA DH-457 holder is straightforward:

- **Drink Holders:** Place standard-sized beverage containers (e.g., cans, small bottles, coffee cups) into the circular recesses. The holder is designed to accommodate 250ml slim cans and similar sizes.
- **Smartphone Slot:** Insert your smartphone into the dedicated rectangular slot. Ensure your device fits securely without excessive force.
- Always ensure items are securely seated in the holder before driving to prevent spills or distractions.

Figure 5.2: A detailed close-up showing the sleek, possibly chrome or matte white, finish and refined edges of the holder.

6. MAINTENANCE

To keep your holder in optimal condition:

- Wipe the surface with a soft, damp cloth.
- Avoid using abrasive cleaners, solvents, or harsh chemicals, as these may damage the finish.
- Ensure the holder is dry before placing electronic devices or sensitive items inside.

7. TROUBLESHOOTING

If you encounter issues with your DELTA DH-457 holder, consider the following:

- **Holder is loose after installation:** Re-check the installation steps. Ensure it is properly seated and secured in the vehicle's designated area. Apply gentle pressure to ensure a snug fit.
- **Drinks or phone do not fit:** Verify that your beverage containers and smartphone dimensions are compatible with the holder's specifications. The drink holders are designed for standard 250ml slim cans and similar sizes.
- **Scratches on surface:** Avoid placing sharp or abrasive objects directly on the holder's surface. Clean only with soft materials.
