The PROFLO PF9412LID tank lid serves as a protective cover for the internal components of your toilet tank and provides a stable surface. It does not have moving parts or operational controls.

- Ensure the lid is always securely in place to prevent foreign objects from entering the tank and to minimize noise.

Regular cleaning will help maintain the appearance and hygiene of your PROFLO PF9412LID tank lid.

- **Cleaning:** Use a soft cloth or sponge with mild soap and water to clean the surface. Rinse thoroughly and dry with a soft cloth to prevent water spots.

- **Dishwasher Safe:** The lid is indicated as dishwasher safe, offering an alternative cleaning method for thorough sanitization.
