Keuco Edition 300 Glass Shelf (Model 30202) Instruction Manual

For Mirror Cabinet 30202

INTRODUCTION

Welcome to your Keuco Edition 300 Glass Shelf instruction manual. This shelf, model 30202, is designed to complement your Keuco mirror cabinet, providing additional storage and enhancing the aesthetic of your bathroom. Please read this manual carefully before installation and use to ensure proper handling and longevity of your product.

SAFETY INFORMATION

- Handle glass components with care to prevent breakage and injury.
- Ensure the shelf is securely installed to prevent it from falling.
- Do not overload the shelf. Consult your mirror cabinet manual for specific weight limits.
- Keep out of reach of children during installation.

PACKAGE CONTENTS

Verify that all components are present before beginning installation.

- 1 x Keuco Edition 300 Glass Shelf (750 x 90 x 6 mm)

SETUP AND INSTALLATION

This glass shelf is designed for installation within a compatible Keuco mirror cabinet, specifically model 30202.

1. **Preparation:** Ensure the mirror cabinet is securely mounted and clean. Identify the desired position for the glass shelf within the cabinet.
2. **Insert Shelf Supports:** If your cabinet has adjustable shelf supports, insert them into the pre-drilled holes at the desired height.
3. **Place Glass Shelf:** Carefully slide the glass shelf onto the installed supports. Ensure it is level and

fully seated.

4. **Secure (if applicable):** Some cabinets may have clips or mechanisms to secure the shelf in place. Engage these if present.

OPERATING INSTRUCTIONS

The Keuco Edition 300 Glass Shelf is intended for storing bathroom essentials.

- Place items gently on the shelf to avoid scratching or chipping the glass.
- Do not exceed the recommended weight capacity (consult your mirror cabinet manual for specific limits).
- Avoid placing hot items directly on the glass surface without protection.

MAINTENANCE AND CARE

Proper care will ensure the lasting beauty and functionality of your glass shelf.

- **Cleaning:** Wipe the glass surface with a soft, dry cloth. For stubborn marks, use a mild glass cleaner and a lint-free cloth. Avoid abrasive cleaners or scouring pads, which can scratch the glass.
- **Spills:** Immediately wipe up any spills to prevent stains or residue buildup.
- **Inspection:** Periodically check the shelf supports and the shelf's stability.

Care Instructions: Wipe with Dry Cloth.

TROUBLESHOOTING

Shelf is not level:

Ensure the shelf supports are inserted into corresponding holes at the same height. Re-adjust if necessary.

Glass appears scratched or dull:

Use only soft cloths and non-abrasive cleaners. Minor scratches may be unavoidable over time with heavy use.

Shelf feels unstable:

Verify that the shelf is fully seated on all supports. Check if the mirror cabinet itself is securely mounted to the wall.
