Casaria Bologna

Casaria Bologna Garden Bench User Manual

Model: Bologna | Brand: Casaria

1. INTRODUCTION

Thank you for choosing the Casaria Bologna Garden Bench. This manual provides essential information for the safe assembly, operation, and maintenance of your new garden bench. Please read it carefully before use and retain it for future reference.

The Casaria Bologna garden bench is crafted from FSC-certified eucalyptus wood, pre-treated with protective oil for weather resistance and durability. Its timeless design, natural wood grain, and ergonomically curved armrests provide a comfortable seating experience. The weather-resistant bench is stable and robust, supporting up to 320 kg (160 kg per seat). Measuring 120 cm long, 60 cm wide, and with a comfortable seat height of 45 cm, it comfortably accommodates two people. Eucalyptus wood is a sustainable material known for its hardness and resistance to pests and fungi, ensuring long-lasting enjoyment with proper care.

2. SAFETY INFORMATION

- This product must be assembled on a flat, stable surface.
- Do not exceed the recommended load capacity of 320 kg (160 kg per seat).
- Keep the bench away from direct heat sources and prolonged exposure to extreme weather conditions to ensure its longevity.
- Ensure all screws and fasteners are securely tightened before use and periodically check for tightness.
- Do not stand on the bench.

3. PACKAGE CONTENTS

The package includes all necessary components and hardware for assembling the Casaria Bologna Garden Bench. Please verify that all parts are present and undamaged before beginning assembly.

4. SETUP AND ASSEMBLY

Assembly is required for the Casaria Bologna Garden Bench. For experienced users, assembly can be completed in approximately 20 minutes. Follow these general steps:

1. Unpack all components and lay them out on a clean, flat surface.
2. Identify all parts according to the included assembly diagram (if provided).
3. Attach the side frames to the seat base. It is recommended not to fully tighten all screws until all major components are in place.
4. Secure the backrest to the side frames.
5. Once all parts are loosely assembled, gradually tighten all screws and fasteners evenly to ensure stability.
6. Place the bench on a level surface and ensure it is stable before use.

6. MAINTENANCE

To maintain the beauty and longevity of your eucalyptus wood bench, follow these care instructions:

- Treat the eucalyptus wood twice a year with a suitable care oil. This helps protect the wood from weathering and maintains its natural appearance.
- Clean the bench regularly with a soft cloth and mild soapy water. Avoid abrasive cleaners or harsh chemicals.
- During periods of harsh weather (heavy rain, snow, extreme sun), it is recommended to cover the bench or store it indoors to extend its lifespan.
- Periodically check all screws and connections and tighten them if necessary.

PROGETTATO PER TUTTE LE STAGIONI

Longevità grazie al legno duro di eucalipto

Oliato idrorepellente

Resistente ai raggi UV

7. TROUBLESHOOTING

If you encounter any issues with your Casaria Bologna Garden Bench, consider the following:

- **Instability:** Ensure the bench is placed on a completely flat and stable surface. Check that all assembly screws are fully tightened.
- **Wood Discoloration/Drying:** This is often due to lack of proper oil treatment. Apply a suitable wood care oil as per maintenance instructions.
- **Damaged Parts:** If any part arrived damaged or becomes damaged during normal use, please contact customer support for assistance.
