

Melitta 63100

Melitta #4 Natural Brown Cone Coffee Filters Instruction Manual

Model: 63100

INTRODUCTION

This manual provides instructions for the proper use and care of Melitta #4 Natural Brown Cone Coffee Filters. These filters are designed to enhance your coffee brewing experience by allowing the full flavor of coffee to filter through while trapping impurities.

KEY FEATURES

- **Flavor-Enhancing Microfine Perforations:** Engineered to allow the full, rich flavor of your coffee to pass through for a superior brewing experience.
- **Burst-Resistant Double Crimped Design:** Features exclusive double crimped edges to prevent bursting and spills during brewing.
- **Certified Sustainable and Compostable:** FSC Certified for responsible forestry and BPI Certified for commercial compostability. Packaged in 100% recycled paperboard.
- **Premium Quality:** Made from thicker, chlorine-free paper that effectively traps impurities, resulting in a smooth, clean cup of coffee. These filters are gluten-free and kosher certified.
- **Universal Fit:** Designed to fit all 8-12 cup cone coffee makers and pour-over devices.

The Unsung Hero of Great Coffee

Expertly crafted with **Unique Features**.
Melitta cone filters deliver a rich, flavorful cup,
every time.

COMPATIBILITY

Melitta #4 Cone Coffee Filters are compatible with:

- All 8-12 cup cone-style coffee makers.
- Pour-over coffee brewing devices designed for #4 cone filters.

Find Your Fit

Melitta makes it easy — just match your brewer's cup size.

Fits **2–4 cup** electric and **1–2 cup** non-electric cone-style coffee brewers.

Fits **6–12 cup** cone-style coffee brewers.

USAGE INSTRUCTIONS

Step-by-Step Brewing

1. **Prepare the Filter:** Fold the filter along the crimped edges to ensure a perfect fit in your coffee maker's filter basket.
2. **Place and Fill:** Insert the prepared filter into the coffee maker's filter basket. Add your desired amount of coffee grounds into the filter.
3. **Brew and Enjoy:** Follow your coffee maker's instructions to brew your coffee. The Melitta filter will ensure a rich, flavorful cup.

Brew Better

Fold

Place & Fill

Brew & Enjoy

Fold filter along the crimped edges for a perfect fit.

Insert filter into brewer and add coffee grounds.

Brew and savor a rich, flavorful cup.

CARE AND MAINTENANCE

Melitta #4 Natural Brown Cone Coffee Filters are designed for single use. After brewing, carefully remove the filter with the used coffee grounds and dispose of them. These filters are BPI Certified for commercial compostability, making them an environmentally friendly choice for disposal where commercial composting facilities are available.

Better Coffee. Better Planet.

Crafted with our planet in mind and backed by trusted sustainability certifications, we're **Proudly Dedicated to Future Generations.**

TROUBLESHOOTING

- **Filter Tearing:** Ensure the filter is properly folded along its crimped edges and seated correctly in the filter basket before adding coffee grounds and water. The double crimped design is intended to prevent tearing.
- **Sediment in Coffee:** Melitta paper filters are designed to trap impurities and sediment. If you experience sediment, ensure the filter is not damaged and is correctly positioned. Paper filters generally provide a cleaner cup compared to reusable mesh filters.
