Aeroblend Airbrush Foundation Makeup O50

AEROBLEND Airbrush Foundation Makeup User Manual

Model: Airbrush Foundation Makeup O50

INTRODUCTION

This manual provides essential information for the proper use and care of your Aeroblend Airbrush Foundation Makeup. Please read it thoroughly before first use to ensure optimal results and product longevity.

Aeroblend Airbrush Foundation Makeup is a professional, water-based, buildable, and long-wearing foundation suitable for all skin types. It is specifically formulated for use with airbrush systems.

SAFETY INFORMATION

For external use only.

Avoid direct contact with eyes. If contact occurs, rinse thoroughly with water.

Keep out of reach of children.

Discontinue use if irritation or rash appears.

PRODUCT OVERVIEW

Aeroblend Airbrush Foundation Makeup is designed to provide flawless coverage when applied with an airbrush system. Its water-based formula is gentle and suitable for even the most sensitive skin types.

Key Features:

- **Professional Airbrush Application:** Achieve flawless coverage designed for effortless spraying through an airbrush. Compatible with Aeroblend kits and other airbrush makeup machines.
- **Skin-Friendly Formulation:** Free from parabens, silicone, and fragrance, making it suitable for sensitive skin types.
- **Buildable Coverage, Natural Finish:** Provides a natural, skin-like finish with customizable coverage from sheer to full.
- **Vegan, Fragrance-Free, Silicone-Free, and Made in the USA:** A conscious beauty choice, ensuring a lightweight and breathable feel.
- **Long-Wearing Perfection:** Delivers long-lasting wear for 10+ hours, suitable for everyday use and professional occasions.

Ingredients and Benefits:

Gentle formula packed with botanicals

Avocado:
Hydrates & moisturizes

Jojoba Oil: Humectant.
Contains vitamin E

Lavender:
Known for its calming
& healing properties

White Tea Extract:
Anti-oxidant &
soothing

Image: A graphic illustrating the gentle formula packed with botanicals, including Avocado for hydration, Jojoba Oil as a humectant with Vitamin E, Lavender for calming and healing, and White Tea Extract as an antioxidant.

- **Avocado:** Hydrates and moisturizes the skin.
- **Jojoba Oil:** A humectant that contains Vitamin E.
- **Lavender:** Known for its calming and healing properties.
- **White Tea Extract:** Provides antioxidant and soothing benefits.

SETUP AND PREPARATION

1. **Shake Well:** Before each use, shake the foundation bottle vigorously. It is normal for the contents to settle and for separation to occur, so thorough shaking ensures proper mixing.

Image: A hand holding the Aeroblend Airbrush Foundation Makeup bottle, demonstrating its size and ease of handling for shaking.

2. **Dispense into Airbrush Stylus:** Open the flip-top cap. Dispense 5-10 drops of foundation directly into the cup of

your airbrush stylus. Adjust the quantity based on your desired coverage.

Image: A graphic illustrating the previous bottle cap design versus the new flip-top cap, highlighting the improved ease of opening and reduced mess.

3. **Connect Airbrush:** Ensure your airbrush stylus is properly connected to your airbrush makeup machine or compressor.

OPERATING INSTRUCTIONS

1. **Application Method:** This foundation is designed to be airbrush sprayed only. It is not recommended to apply with a sponge or brush for optimal results.
2. **Spray Technique:** Hold the airbrush approximately 6-8 inches from your face. Apply in light, circular motions.
3. **Building Coverage:** For a sheer glow, apply a single light layer. For fuller, natural coverage, apply additional thin layers, allowing each layer to dry slightly before applying the next.
4. **Long-Wearing:** The foundation provides long-lasting wear for 10+ hours. No need for frequent touch-ups.

MAINTENANCE AND CLEANING

Proper cleaning of your airbrush system after each use is crucial for preventing clogs and ensuring consistent performance of your Aeroblend foundation.

- **Immediate Cleaning:** After each application, empty any remaining foundation from the airbrush cup.
- **Thorough Cleaning:** Due to the foundation's consistency, a simple water rinse and spray-out may not be sufficient. Use a dedicated airbrush cleaner or distilled water to thoroughly clean the airbrush stylus.
- **Disassembly (if applicable):** Refer to your airbrush system's manual for instructions on disassembling and cleaning individual components to prevent buildup.
- **Storage:** Store the Aeroblend foundation bottle upright in a cool, dry place, away from direct sunlight.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Foundation not spraying evenly or clogging.	Insufficient shaking; foundation settled; airbrush not clean.	Shake bottle vigorously before use. Thoroughly clean your airbrush stylus and components. Consider using a thinner if the foundation appears too thick for your airbrush model.
Foundation appears too light or too dark.	Incorrect shade selection; lighting conditions.	Ensure you have selected the correct shade for your skin tone. Aeroblend offers a wide range of colors. For best results, match your shade in natural lighting. You may also mix shades to achieve a custom match.
Bottle leaks or dispenses improperly.	Cap not securely closed; defect in bottle.	Ensure the flip-top cap is securely closed after each use. If the issue persists, contact Aeroblend customer support.
