Service 16

Read all instructions before using this appliance. This book contains valuable information about

- Operation
- Care
- Service

Keep it in a safe place.

Read and Save These Instructions

Record Your Model and Serial Numbers

The model and serial numbers of your Laundry Center are found inside the dryer door. Record and retain these numbers.

Model Number: _____

Serial Number: _____

Purchase Date: _____

Sears, Roebuck and Co., Hoffman Estates, IL 60179 U.S.A.

Image: Front cover of a physical owner's guide, titled "SEARS Owner's Guide" for a "Kenmore Laundry Center". It displays a table of contents with sections such as Product Registration, Important Safety Instructions, Washing Procedures, Stain Removal, Common Washing Problems, Drying Procedures, Dryer Features, Common Drying Problems, Care and Cleaning, Avoid Service Checklist, Warranty, and Service. Fields for recording Model Number, Serial Number, and Purchase Date are visible at the bottom.

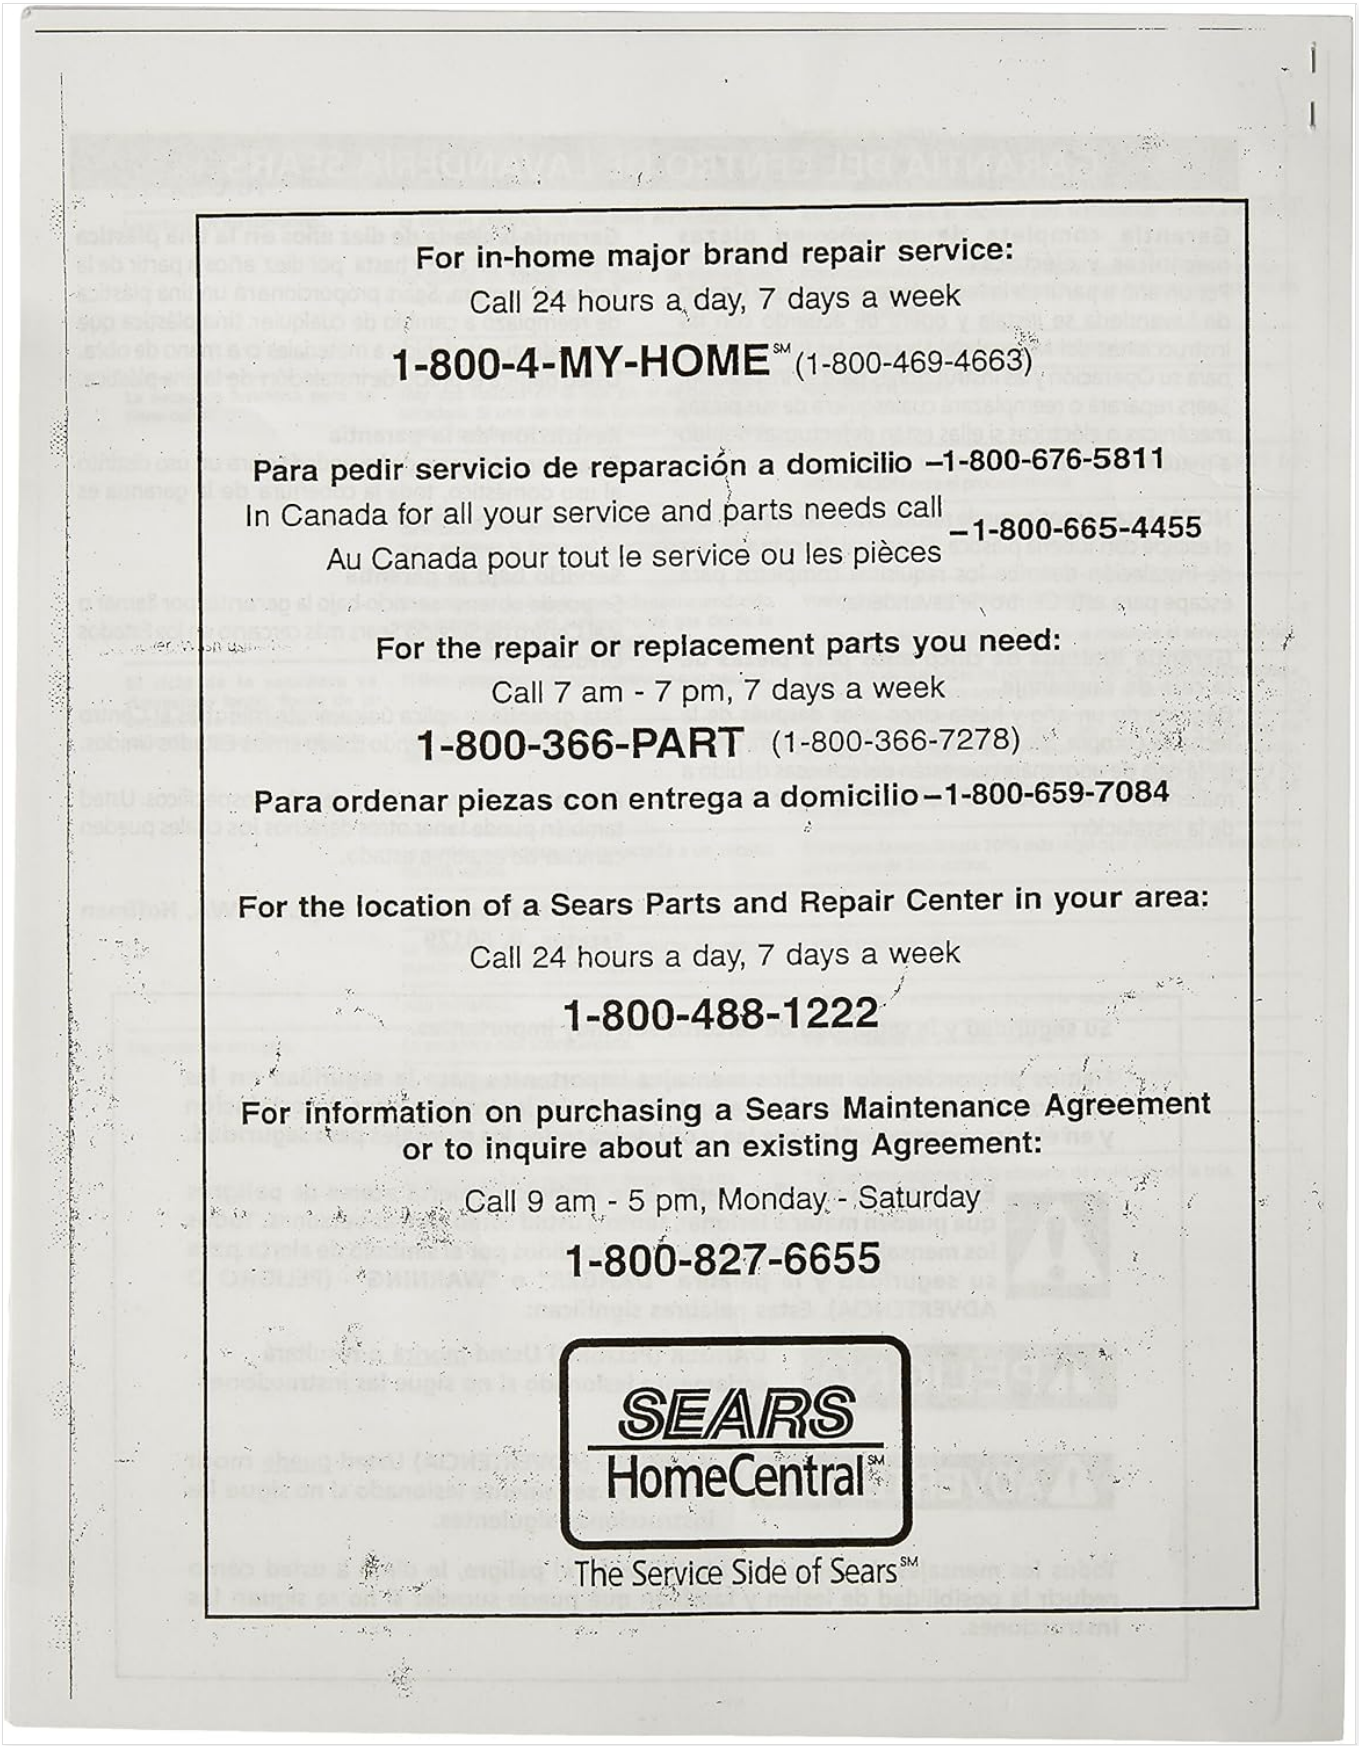

Image: Back cover of a physical owner's guide, providing customer service contact details. It lists phone numbers for in-home major brand repair service, repair or replacement parts, and the Sears Parts and Repair Center. Information regarding Sears Maintenance Agreements is also present, along with the "SEARS HomeCentral" logo.

Important Safety Instructions

This section outlines critical safety precautions to prevent personal injury or property damage. It is imperative to read and understand all safety warnings before operating the appliance.

- General safety guidelines for appliance use.
- Electrical safety and grounding instructions.
- Precautions for children and pets.
- Proper installation and ventilation requirements.

Setup and Installation

This manual contains detailed instructions for the proper setup and installation of your Frigidaire Washer/Dryer Combo. This includes:

1. Unpacking and leveling the appliance.
2. Connecting water supply hoses and drain hose.
3. Electrical connection requirements.
4. Ventilation setup for the dryer component.

Always ensure installation is performed by a qualified professional if you are unsure.

Operating Procedures

This section guides users through the daily operation of the washer/dryer combo, covering both washing and drying cycles.

Washing Procedures

- Loading the washer correctly.
- Adding detergent and fabric softener.
- Selecting appropriate wash cycles and options.
- Understanding water temperature settings.

Drying Procedures

- Loading the dryer efficiently.
- Cleaning the lint filter before each use.
- Selecting appropriate dry cycles and temperature settings.
- Utilizing special features like wrinkle guard.

Maintenance and Care

Regular maintenance ensures the longevity and optimal performance of your appliance. This manual provides instructions on:

- Cleaning the washer tub and dispenser.
- Maintaining the dryer lint filter and exhaust vent.
- Winterizing the appliance (if applicable).
- General exterior cleaning.

Troubleshooting

This section helps diagnose and resolve common issues you might encounter with your washer/dryer combo before calling for service. It typically includes a table format for easy reference.

Problem	Possible Cause	Solution
Washer not starting	Door not closed, power issue	Ensure door is latched, check power supply
Dryer not heating	Lint filter clogged, circuit breaker tripped	Clean lint filter, reset breaker
Excessive vibration	Appliance not level, unbalanced load	Adjust leveling feet, redistribute laundry

The manual also includes an "Avoid Service Checklist" to help users perform basic checks before contacting customer support.

Specifications

This owner's manual provides detailed technical specifications for the Frigidaire Washer/Dryer Combo, model 131786800. These typically include:

- Dimensions (Height, Width, Depth)
- Weight
- Electrical requirements (Voltage, Amperage)
- Capacity (Washer and Dryer)
- Water pressure requirements

For precise measurements and requirements, refer to the physical manual or the product's specification sheet.

Warranty Information

This owner's manual contains the complete warranty statement for your Frigidaire Washer/Dryer Combo. It typically covers:

- Duration of the warranty.

- What is covered (parts and labor).
- What is not covered (e.g., misuse, improper installation).
- How to obtain warranty service.

It is important to retain your proof of purchase for warranty claims.

Customer Support and Service

Should you require assistance beyond the troubleshooting steps, this manual provides contact information for customer support and authorized service. This includes:

- Phone numbers for technical support.
- Information on scheduling service appointments.
- Details for ordering genuine replacement parts.

For the specific contact details, please refer to the back cover or the dedicated "Service" section of your physical owner's guide.
