4. Operating Instructions

The HABA Varius blocks are designed for both open-ended creative play and structured building activities.

4.1 Free Play

Users can freely arrange and stack the blocks to create various two-dimensional patterns and three-dimensional structures. The

unique shape of the blocks allows for interlocking designs and stable stacking, promoting fine motor skills and imaginative play.

5. Care and Maintenance

To ensure the longevity and safety of your HABA Varius wooden blocks:

- Clean blocks with a slightly damp cloth. Avoid immersing blocks in water.
- Do not use harsh chemical cleaners, as these may damage the water-based finish.
- Store blocks in a dry environment away from direct sunlight or extreme temperatures to prevent warping or fading.
- Regularly inspect blocks for any signs of wear or damage. Discontinue use if any pieces are broken or splintered.

The blocks are crafted from beech wood sourced from sustainable forestry in Germany.

6. Safety Information

This product is suitable for children aged 3 years and up. No specific safety warnings are applicable beyond general toy safety practices.

- Adult supervision is recommended during play.
- Ensure all pieces are accounted for after play to prevent potential choking hazards for younger children in the household.

- Do not allow children to put blocks in their mouths.
