ZINUS AZ-BTCM-12F

ZINUS 12 Inch Green Tea Memory Foam Mattress User Manual

Model: AZ-BTCM-12F

Product Overview

The ZINUS 12 Inch Green Tea Memory Foam Mattress is designed for optimal comfort and support. Infused with refreshing green tea and moisture-absorbing charcoal, it helps keep your mattress fresh. The precisely layered CertiPUR-US certified foams provide patented Custom Contour Support, cradling your body and aligning your spine for a restful sleep.

Unboxing and Initial Setup

Your ZINUS mattress is efficiently compressed and rolled into one box for easy shipping and maneuvering. Follow these steps for proper setup:

1. Carefully remove the mattress from its packaging.
2. Place the compressed mattress on a clean, flat surface, such as your bed frame.
3. Carefully cut open the clear plastic bag along the edges. The mattress will instantly begin to decompress.
4. Remove and recycle the plastic bag.
5. Allow **24-72 hours** for your mattress to fully regain its original shape. Memory foam expands faster in warmer rooms and may take longer in colder temperatures. Expansion time will vary based on surroundings.

Usage and Comfort

The ZINUS Green Tea Memory Foam Mattress is engineered for superior comfort and support, ensuring a restorative sleep experience.

- **Green Tea Infusion:** Refreshing green tea and moisture-absorbing charcoal are infused into the foam layers to help keep your mattress fresh.
- **Patented Custom Contour Support:** Precisely layered CertiPUR-US certified foams, including exquisitely soft memory foam and super-dense base foam, cradle your achiest joints and align your spine.
- **Pressure Relief:** Designed to alleviate tension points, allowing your body to recover as you rest.
- **Sturdy Base Foam:** A top-quality high ILD layer of base foam prevents uncomfortable sinking

or sagging, providing ideal support.

Care and Maintenance

To ensure the longevity and freshness of your ZINUS mattress, follow these general care guidelines:

- **Air Circulation:** Ensure good air circulation around the mattress, especially during the initial expansion period.
- **Protective Cover:** Consider using a mattress protector to guard against spills and stains.
- **Cleaning:** Spot clean any spills immediately with a mild detergent and damp cloth. Avoid saturating the mattress.
- **Rotation:** Periodically rotate your mattress (head to foot) to promote even wear and extend its lifespan.

Troubleshooting Common Issues

If you encounter any issues with your mattress, refer to the following common solutions:

- **Mattress Not Fully Expanding:** Allow the full 72 hours for expansion. Ensure the room temperature is warm, as colder temperatures can slow down the expansion process. Make sure the mattress is unrolled on a flat surface without any obstructions.
- **Initial Odor:** A new mattress may have a slight odor upon unboxing. This is normal and harmless. Allow the mattress to air out in a well-ventilated room for a few days. The green tea infusion helps to minimize this.
- **Comfort Level:** Memory foam mattresses adapt to your body over time. Give yourself a few weeks to adjust to the new mattress.

Product Specifications

Feature	Detail
Brand	ZINUS
Model Number	AZ-BTCM-12F
Size	Full
Product Dimensions	75"L x 54"W x 12"Th
Item Weight	54.1 pounds
Material	Memory Foam
Number of Layers	3
Weight Limit	500 Pounds (Twin supports 250 lbs)
Special Feature	Pressure Relief, Breathable
Color	White
