1. INTRODUCTION

Street Fighter V is a fighting game developed by Capcom, available for PlayStation 4. This manual provides essential information for setting up, operating, and maintaining your game to ensure an optimal experience. It features an extensible design for data prioritization, high availability, scalability, and maximum flexibility.

2. SETUP

2.1. Installing the Game

1. Insert the Street Fighter V game disc into your PlayStation 4 console.

2. Follow the on-screen prompts to install the game data onto your console's hard drive.
3. Ensure your PlayStation 4 is connected to the internet for necessary game updates and online features.

2.2. Controller Configuration

Street Fighter V is designed for use with the PlayStation 4 DualShock 4 controller. Basic controls are as follows:

- **Directional Pad / Left Analog Stick:** Character Movement
- **Square, Triangle, R1:** Light, Medium, Heavy Punches
- **Cross, Circle, R2:** Light, Medium, Heavy Kicks
- **L1:** Throw
- **L2:** V-Skill
- **R3:** V-Trigger

Detailed control customization options are available within the game's settings menu.

3. OPERATING THE GAME

3.1. Main Menu Overview

Upon launching Street Fighter V, you will be presented with the main menu, offering various game modes and options:

- **Story Mode:** Experience the narrative of individual characters.
- **Survival Mode:** Test your endurance against a series of opponents.
- **Training Mode:** Practice character moves and combos.
- **Versus Mode:** Engage in local multiplayer matches.
- **Online Mode:** Compete against players worldwide in ranked or casual matches.
- **Shop:** Access in-game content and customizations.

3.2. Character Selection

Select your preferred fighter from the diverse roster. Each character possesses unique fighting styles, special moves, V-Skills, and V-Triggers. Experiment with different characters to find one that suits your playstyle.

Image 3.2: Official character artwork for Ryu, demonstrating his iconic stance.

Image 3.3: Official character artwork for Chun-Li, highlighting her powerful kick.

3.3. Special Features

The Street Fighter V Standard Edition may include additional content such as a "Design Collection" artbook and a digital soundtrack. Refer to your product packaging for details on accessing these features.

4. MAINTENANCE

4.1. Disc Care

- Handle the game disc by its edges to avoid fingerprints and scratches.
- Store the disc in its original case when not in use.
- Clean the disc with a soft, lint-free cloth, wiping from the center outwards if necessary.

4.2. Software Updates

Regular software updates are released to improve game performance, add new content, and address bugs. Ensure your PlayStation 4 is connected to the internet to download and install these updates automatically or manually through the system settings.

4.3. Online Connectivity

For optimal online gameplay, a stable internet connection is recommended. If experiencing lag or disconnections, check your network settings and ensure sufficient bandwidth.

5. TROUBLESHOOTING

5.1. Common Issues and Solutions

Issue	Solution
-------	----------

Issue	Solution
Game not installing	Ensure sufficient storage space on your PS4. Clean the game disc for smudges or scratches. Restart your console.
Online connection issues	Verify your internet connection. Restart your router/modem. Check for game server status updates from Capcom.
Game freezing or crashing	Ensure the game and console software are up to date. Clear the console's cache. If issues persist, reinstall the game.

5.2. Further Assistance

For persistent technical issues, refer to the official Capcom support website or the PlayStation support resources.

6. SPECIFICATIONS
