Zinus OLB-ASB-Q

ZINUS SmartBase Compack Mattress Foundation Instruction Manual

Model: OLB-ASB-Q | Brand: Zinus

1. Product Overview

The ZINUS SmartBase Compack Mattress Foundation is an innovative solution designed to replace traditional box springs and bed frames. It provides a sturdy and even surface for your mattress, crafted from durable steel. Its design offers significant under-bed clearance for storage, making it ideal for optimizing space. This foundation is engineered for easy assembly and long-lasting support.

2. Setup and Assembly

The SmartBase Compack Mattress Foundation is designed for quick and easy assembly, typically taking less than an hour. All necessary tools and parts are included in one compact shipping box.

Key Assembly Features:

- **Simple Setup:** All tools, parts, and instructions are expertly packed for straightforward assembly.
- **No Box Spring Needed:** Your latex, spring, or memory foam mattress rests directly on the steel slatted platform.

Assembly Tips:

Some users have noted that while assembly is generally easy, paying close attention to part labels (if available) and ensuring all connections are tight, especially wing nuts, is crucial for stability. Assembling the frame upside down initially can simplify the process before inserting horizontal slats.

3. Operating Instructions

This mattress foundation provides a stable and elevated sleeping surface. Simply place your mattress directly onto the steel slats. The design eliminates the need for a traditional box spring, offering a streamlined and modern look.

Weight Capacity:

Twin and Twin XL sizes can support up to 750 lbs, while all other sizes, including Queen, support up to 1500 lbs.

4. Maintenance

To maintain the quality and appearance of your ZINUS SmartBase Compack Mattress Foundation, simply wipe it with a dry cloth as needed. Regular checks of all bolted connections are recommended to ensure continued stability and prevent any potential squeaking.

5. Troubleshooting

Common Concerns:

- **Squeaking:** If the frame develops squeaks, ensure all bolts and connections are tightened securely. The durable steel construction is designed to minimize noise.
- **Mattress Slippage:** The frame includes non-slip tape on some slats to prevent the mattress from sliding. Ensure these are properly utilized.

- **Assembly Difficulty:** While generally easy, some users have noted that the instructions could be clearer regarding part labeling. Refer to the user guide for detailed visual instructions.

6. Specifications

Feature	Detail
Size	Queen
Product Dimensions	79"L x 60"W x 14"H
Special Feature	Sturdy
Color	Black
Finish Type	Steel
Included Components	Frame, support bars
Compatible With Mattress Size	Queen
Item Weight	40 pounds
Ground To Item Distance	13 Inches
Assembly Required	Yes

7. Safety Information

Important Safety Notice:
Be cautious when assembling and using the bed frame due to sharp edges and heavy components. Do not exceed the maximum weight limit of 1500 pounds.

8. Warranty and Support

Warranty:

A worry-free 5-year warranty is included with your ZINUS SmartBase Compack Mattress Foundation.

Support Documents:

- Installation Manual (PDF)
- User Guide (PDF)
