# lionto Cat Scratching Tree KB00207 User Manual

Model: KB00207

## 1. INTRODUCTION

---

Thank you for choosing the lionto Cat Scratching Tree. This manual provides essential information for the safe assembly, operation, and maintenance of your new cat tree. Please read these instructions carefully before assembly and retain them for future reference.

This cat scratching tree is designed to provide a comfortable and stimulating environment for your cat, offering areas for scratching, playing, and resting. It features soft plush surfaces, sisal-wrapped posts, a cozy cave, and interactive toys.

## 2. SAFETY INSTRUCTIONS

---

- Ensure all parts are securely fastened during assembly to prevent instability.
- Place the cat tree on a flat, stable surface to avoid tipping.
- Regularly check for loose parts or damage. Tighten screws and replace damaged components immediately.
- Keep small children away from the cat tree during assembly.
- This product is intended for indoor use only.
- Do not allow children to climb or play on the cat tree.

## 3. PACKAGE CONTENTS

---

Before beginning assembly, verify that all components are present and undamaged. Refer to the included parts list in your package for a detailed inventory.

## 4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your lionto Cat Scratching Tree. It is recommended to have a clear, open space for assembly.

### 4.1 Assembly Video Guide

Video: This video demonstrates the step-by-step assembly process for the lionto Cat Scratching Tree, model KB00207. It shows how to connect the base, posts, cave, and platforms.

### 4.2 Step-by-Step Assembly

1. **Prepare the Base:** Lay the main base plate (usually the largest flat piece) on a clean, flat surface.
2. **Attach Lower Posts:** Screw the first set of scratching posts into the designated holes on the base plate. Ensure they are tightened securely.
3. **Assemble the Cat Cave:** Attach the cat cave structure to the appropriate posts or directly to the base, depending on the design. Secure it using the provided screws from the inside of the cave.
4. **Add Platforms:** Attach the various platforms to the top of the posts or to the side of the cave using the provided hardware. Ensure each platform is level and stable.
5. **Install Upper Posts and Perches:** Continue adding additional scratching posts and the top perch(es) as per the diagram.
6. **Attach Toys:** Securely attach any hanging plush balls or ropes to the designated points on the cat tree.
7. **Final Check:** Once assembled, gently shake the cat tree to ensure all connections are tight and the structure is stable. Retighten any loose screws.

## 5. OPERATING INSTRUCTIONS (USAGE)

---

The lionto Cat Scratching Tree provides multiple functions for your cat's well-being:

- **Scratching Posts:** The sisal-wrapped posts are designed for your cat to scratch, helping to maintain claw health and protect your furniture. Encourage your cat to use these posts.
- **Play Areas:** The hanging plush balls and ropes provide interactive play opportunities.
- **Resting Spots:** The soft plush platforms and the enclosed cat cave offer comfortable places for your cat to rest, sleep, and observe its surroundings.
- **Climbing and Exploration:** The multi-level design allows your cat to climb, jump, and explore,

satisfying its natural instincts.

## 6. CARE AND MAINTENANCE

---

- **Cleaning:** Use a soft brush or vacuum cleaner to remove loose fur and dust from the plush surfaces. For minor stains, gently spot clean with a damp cloth and mild pet-safe detergent. Do not use harsh chemicals or abrasive cleaners.
- **Inspection:** Regularly inspect the cat tree for any signs of wear and tear, especially on the sisal posts and hanging toys.
- **Tighten Connections:** Periodically check and tighten all screws and connections to ensure the tree remains stable and safe for your cat.
- **Placement:** Avoid placing the cat tree in direct sunlight or near heat sources, as this can cause

material degradation.

## 7. TROUBLESHOOTING

---

- **Instability:** If the cat tree feels wobbly, check all screws and connections to ensure they are fully tightened. Make sure it is placed on a flat, even surface.
- **Cat Not Using Tree:** Encourage your cat by placing treats or catnip on the tree. Play with your cat near the tree to associate it with positive experiences.
- **Damaged Parts:** If any part of the cat tree becomes damaged (e.g., frayed sisal, broken platforms), discontinue use and contact customer support for replacement parts.

## 8. SPECIFICATIONS

---

| Feature                | Detail  |
|------------------------|---|
