PRODUCT FEATURES

- Designed for creating adventures and scenes from Star Wars entertainment.
- Compatible with a wide range of articulated Star Wars action figures (sold separately).
- Features realistic action elements for enhanced play.
- Supports role-play scenarios as favorite characters using appropriate gear.
- Enables users to engage in battles as Jedi, Sith, Rebels, Imperial troopers, Battle Droids, or Clone Troopers.

SETUP

The Star Wars Landspeeder is designed for immediate use with minimal assembly. It comes with a clear display stand for showcasing the vehicle.

1. **Unboxing:** Carefully remove the Landspeeder and its display stand from the packaging. Retain packaging for future storage if desired.
2. **Stand Assembly:** The display stand typically consists of two interlocking pieces. Gently slide the vertical support into the base until it clicks securely into place.
3. **Placement:** Position the Landspeeder onto the top of the assembled display stand. Ensure it is stable before leaving it unattended.

OPERATING INSTRUCTIONS

This Landspeeder model is primarily a collectible and play vehicle. It does not require batteries or electronic operation.

- **Imaginative Play:** Use the Landspeeder as part of your Star Wars collection for creative storytelling and

scene recreation.

- **Display:** Utilize the included stand to display the Landspeeder on a shelf, desk, or in a display cabinet.
- **Interaction:** While durable, avoid excessive force or dropping the vehicle to prevent damage to its detailed components.

MAINTENANCE

Proper care will ensure the longevity and appearance of your Star Wars Landspeeder.

- **Cleaning:** Wipe the surface gently with a soft, dry cloth to remove dust. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or solvents.
- **Storage:** Store the Landspeeder in a cool, dry place away from direct sunlight and extreme temperatures to prevent material degradation or color fading.
- **Handling:** Always handle the model by its main body to avoid stressing smaller, delicate parts.

TROUBLESHOOTING

This section addresses common concerns regarding the Star Wars Landspeeder.

Problem	Possible Cause	Solution
Landspeeder does not sit securely on stand.	Stand not fully assembled or incorrect orientation.	Ensure the two pieces of the display stand are fully interlocked. Verify the Landspeeder is placed correctly on the stand's pegs or grooves.
Surface appears dull or dusty.	Accumulation of dust or residue.	Wipe gently with a soft, dry cloth. For more persistent dirt, use a slightly damp cloth and immediately dry.
Small parts appear loose or detached.	Impact or rough handling.	If a part has detached, inspect for breakage. If intact, it may be reattached with a small amount of model-safe adhesive. Handle with care to prevent future detachment.
