BarcaLounger Oracle II Recliner Instruction Manual

Model: 7-4160 5451-13

1. INTRODUCTION

Thank you for choosing the BarcaLounger Oracle II Recliner. This manual provides essential information for the safe assembly, operation, and maintenance of your new recliner. Please read these instructions carefully before use and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe operation and prevent injury or damage, please observe the following safety guidelines:

- Do not allow children to play on or around the recliner unsupervised.
- Keep hands and feet clear of the reclining mechanism when operating the chair.
- Avoid placing heavy objects on the footrest when it is extended.
- Ensure the recliner is placed on a level surface to prevent tipping.
- Do not stand on the recliner or use it as a step stool.
- Regularly inspect all connections and moving parts for wear or damage.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present:

- Recliner Base (1)
- Backrest (1)
- Armrests (2)
- Power Cord (if applicable for powered recline)
- Assembly Hardware (bolts, washers, Allen wrench)

4. SETUP AND ASSEMBLY

Follow these steps to assemble your BarcaLounger Oracle II Recliner:

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent scratches.
2. **Attach Backrest:** Align the metal brackets on the backrest with the corresponding receivers on the recliner base. Slide the backrest down firmly until it locks into place. You should hear a click.
3. **Secure Armrests:** If armrests are separate, attach them to the sides of the recliner base using the provided hardware. Ensure all bolts are tightened securely.
4. **Connect Power (if applicable):** If your recliner is powered, connect the power cord to the recliner's power input and then plug it into a grounded electrical outlet. Ensure the cord is not pinched or obstructed.
5. **Final Check:** Gently rock the recliner to ensure all connections are secure and stable before use.

5. OPERATING INSTRUCTIONS

The BarcaLounger Oracle II Recliner is designed for ease of use:

- **To Recline:** Lean back gently while pushing on the armrests. The footrest will extend, and the backrest will recline. Adjust your body weight to find your desired reclining position.
- **To Return to Upright Position:** Push down on the footrest with your legs while leaning forward. The footrest will retract, and the backrest will return to its upright position.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your recliner:

- **Cleaning:** Wipe clean with a soft, damp cloth. For leather surfaces, use a specialized leather cleaner and conditioner as recommended by the manufacturer. Avoid harsh chemicals or abrasive cleaners.
- **Mechanism Lubrication:** Periodically check the reclining mechanism. If it becomes stiff or noisy, apply a silicone-based lubricant to moving joints.
- **Tighten Fasteners:** Over time, fasteners may loosen. Periodically check and tighten all bolts and screws to ensure stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause leather to fade or crack. Position the recliner away from direct sunlight or use window coverings.

7. TROUBLESHOOTING

If you encounter issues with your recliner, refer to the following common solutions:

- **Recliner does not recline smoothly:**

- Check for obstructions around the mechanism.
 - Ensure all assembly bolts are securely tightened.
 - Apply lubricant to the reclining mechanism's moving parts.
- **Footrest does not stay extended:**
 - Verify that the reclining mechanism is fully engaged.
 - Ensure no excessive weight is placed on the footrest.
- **Squeaking or grinding noises:**
 - Lubricate all pivot points and springs in the reclining mechanism.
 - Check for loose bolts and tighten as necessary.

8. SPECIFICATIONS

Detailed specifications for the BarcaLounger Oracle II Recliner:

Feature	Detail
Brand	BarcaLounger
Model Number	7-4160 5451-13
Color	Black
Material	Leather (fully enclosed), Metal (frame), Foam (seat)
Product Dimensions (D x W x H)	39"D x 30"W x 42.5"H
Item Weight	117 Pounds
Additional Features	Reclining, High resilience seat foam, Blended down feathers
