3. Distribute the colored flower stacking pieces and flower tiles near the board, accessible to all players.

4. Operating (How to Play)

The goal of Flower Fairy is to cooperatively help Rosalina make the flowers blossom. Players take turns rolling the color die and performing actions based on the result.

Game Flow:

1. The youngest player starts the game.
2. On your turn, roll the color die.
3. Based on the color rolled:
    - If you roll a specific color (e.g., red, blue, green, pink), take a flower stacking piece of that color.
    - Place the colored flower piece onto a matching colored space on the game board, or stack it onto an existing flower of the same color. The objective is to build up the flowers.
    - If the die shows a special symbol (e.g., a fairy symbol), you might get to move Rosalina or perform a special action related to the game's narrative.
4. Players continue taking turns, rolling the die and adding flower pieces, working together to complete the flowers.
5. The game ends when all flowers on the board have blossomed (i.e., all designated spaces are filled with stacked flower pieces). All players win together if they successfully make all flowers blossom.

Encourage communication and teamwork among players as they decide where to place pieces to best help Rosalina.

5. Maintenance

Proper care ensures the longevity of your HABA My First Games: Flower Fairy.

- **Cleaning:** Wipe game components with a soft, dry cloth. For stubborn marks, a slightly damp cloth can be used, but ensure components are completely dry before storage. Do not use harsh chemicals or abrasive cleaners.

- **Storage:** Store all game pieces in their original box in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Handling:** Handle game pieces gently to prevent bending, tearing, or breaking.

6. Troubleshooting

Here are solutions to common issues you might encounter:

- **Missing Pieces:** Carefully check the box and packaging. If pieces are genuinely missing upon unboxing, contact HABA customer support (see Section 8).
- **Difficulty Understanding Rules:** Reread Section 4. Try playing a practice round without strict adherence to rules to get a feel for the game. Watch online tutorials if available (though none are provided in this manual).
- **Game Not Engaging:** Ensure players understand the cooperative nature of the game. Encourage discussion and shared decision-making. For very young children, simplify rules as needed.
