Pretty Little Liars: Season 5 DVD Set User Guide

Model: 33680135

1. Introduction

Welcome to the Pretty Little Liars: Season 5 DVD set. This guide provides essential information for enjoying your complete fifth season, covering setup, playback, special features, and maintenance. Get ready for more twists and thrills as season five of Pretty Little Liars begins in the moments following the epic season four finale, in which Ezra was shot, among other shocking acts and revelations. Alison is alive and back in Rosewood, and everyone is affected by her return — but is she the same Alison after being on the run? Hanna's ex, Caleb, returns, but he, too, is changed. Plus, how does Mona fit into everything and what is Melissa (guest star Torrey DeVitto) hiding? With more questions than ever and other familiar faces back in Rosewood, there are now five pretty little liars trying to piece together who has been tormenting them. It's sure to be another season of emotion, intrigue and nail-biting suspense, with many must-see moments and the series' landmark 100th episode. Got a secret? Better keep it….

2. Getting Started: Setup

Follow these steps to begin watching Pretty Little Liars: Season 5.

1. **Unboxing:** Carefully remove the DVD set from its packaging. Inspect the discs for any visible damage.
2. **Player Connection:** Ensure your DVD or Blu-ray player is correctly connected to your television or display device and powered on.
3. **Disc Insertion:** Open the disc tray of your player and gently place one of the Pretty Little Liars: Season 5 discs onto the spindle, label side up. Close the disc tray.

4. **Automatic Playback:** Most players will automatically begin playback or display the main menu. If not, select the 'Play' or 'Disc' option on your player's remote control.

3. Operating: Playback and Navigation

Navigate through the episodes and special features of your DVD set.

3.1 Main Menu Navigation

- Use the arrow keys on your remote control to highlight options such as 'Play All', 'Episode Selection', 'Special Features', or 'Setup'.
- Press the 'Enter' or 'OK' button to select a highlighted option.

3.2 Episode Selection

- From the 'Episode Selection' menu, choose the desired episode to watch.
- Episodes are typically listed in chronological order.

3.3 Audio and Subtitle Settings

- Access the 'Setup' or 'Audio/Subtitle' menu to change language tracks or enable/disable subtitles.
- Available languages include English. Subtitles may be available in English, French, and Spanish.

4. Special Features Overview

The Pretty Little Liars: Season 5 DVD set includes bonus content to enhance your viewing experience. These features are typically accessible from the main menu under a 'Special Features' section.

Studio	Warner Home Video

6. Troubleshooting Common Issues

If you encounter problems while using your DVD set, refer to the following common issues and solutions.

- **Disc Not Playing:**
  - Ensure the disc is inserted correctly, label side up.
  - Check the disc for smudges or scratches. Clean if necessary (see Maintenance section).
  - Verify your DVD player is functioning correctly with other discs.
- **Skipping or Freezing:**
  - Clean the disc thoroughly with a soft, lint-free cloth.
  - Ensure the disc is not warped or severely scratched.
  - Check your player's lens for dust or debris.
- **No Audio or Video:**
  - Confirm all cables connecting your DVD player to your TV are securely attached.
  - Check your TV's input source to ensure it matches the player's connection.
  - Adjust volume settings on both your TV and DVD player.

7. Care and Maintenance

Proper care will extend the life of your DVD set and ensure optimal playback quality.

- **Handling:** Always hold discs by their edges or by placing a finger through the center hole. Avoid touching the shiny playback surface.
- **Cleaning:** If a disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive materials or harsh chemicals. Specialized DVD cleaning kits are available.
- **Storage:** Store discs in their original cases, away from direct sunlight, extreme temperatures, and high humidity. Lay cases flat or stand them upright to prevent warping.
- **Avoid Scratches:** Be careful when inserting or removing discs from the player or case to prevent scratching the surface.

8. Warranty Information and Support

This product is manufactured by Warner Home Video. For specific warranty details regarding manufacturing defects or issues with the physical media, please refer to the packaging or contact Warner Home Video directly.

For further assistance or inquiries, you may visit the official Warner Home Video support website or contact their customer service department. Please have your product model number (33680135) and ASIN (B00T5DM876) ready when seeking support.
