IKEA 102.036.10

IKEA MALM Dressing Table User Manual

Model: 102.036.10 | Brand: IKEA

1. PRODUCT OVERVIEW

The IKEA MALM dressing table is a versatile and functional piece of furniture designed for bedrooms or dressing areas. It features a clean, minimalist design with a spacious top surface and an integrated drawer for storage. The durable glass top provides an easy-to-clean surface, while the smooth-running drawer offers convenient access to your items.

2. KEY FEATURES

- **Spacious Storage:** Features a wide, felt-lined drawer providing ample space for makeup, jewelry, and other personal items.
- **Durable Glass Top:** The tempered/safety glass table top is easy to wipe clean, resisting stains and spills.
- **Smooth Drawer Operation:** Equipped with a smooth-running drawer that includes a pull-out stop to prevent it from being accidentally removed.
- **Versatile Design:** Can be complemented with various wall or table mirrors to suit individual style and needs.
- **Compact Dimensions:** Product dimensions are approximately Width: 47 1/4 inches, Depth: 16 1/8 inches, Height: 30 3/4 inches.

3. IMPORTANT SAFETY INFORMATION

WARNING: To prevent tipping, this furniture **must be secured to the wall** with the enclosed anti-topple device. Different wall materials require different types of fasteners. Use fasteners suitable for the walls in your home (not included). Always follow the assembly instructions carefully to ensure proper installation of the anti-topple device.

4. ASSEMBLY INSTRUCTIONS

Assembly of the IKEA MALM dressing table is required. Please ensure you have all components and tools listed in the separate assembly guide provided with your product. Follow the step-by-step instructions carefully to ensure correct and safe construction.

1. Unpack all components and verify against the parts list.
2. Assemble the frame according to the diagrams.
3. Install the drawer runners and assemble the drawer.
4. Place the glass top carefully onto the frame.
5. **Crucially, attach the anti-topple device to the wall using appropriate fasteners for your wall type.**

5. OPERATING YOUR DRESSING TABLE

The IKEA MALM dressing table is designed for everyday use as a surface for personal grooming, display, or as a desk. The primary operational feature is the integrated drawer:

- **Drawer Use:** Gently pull the drawer front to open. The pull-out stop will prevent the drawer from coming out completely, ensuring safety and preventing accidental spills of contents. Push the drawer back in until it is flush with the table frame to close.
- **Surface Use:** The glass top provides a smooth, durable surface suitable for placing cosmetics, jewelry, or small decorative items.

6. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your dressing table.

- **Frame:** Wipe clean using a damp cloth and a mild cleaner. Immediately wipe dry with a clean, dry cloth to prevent moisture damage.
- **Glass Top:** Wipe clean with a damp cloth. For best results, use only water or a standard window cleaner. Wipe dry with a clean, lint-free cloth to avoid streaks.
- **Drawer Bottom:** The drawer bottom is 100% polyester. For general cleaning, wipe with a damp cloth. For spills, blot immediately and clean as you would the frame.
- **General:** Avoid using abrasive cleaners, harsh chemicals, or rough scrubbing pads, as these can damage the surfaces.

7. TROUBLESHOOTING

While the IKEA MALM dressing table is designed for durability, minor issues may arise. Here are some common troubleshooting tips:

- **Wobbly Table:** Ensure all screws and fasteners are tightened. If the table still wobbles, check that it is placed on a level surface. Adjust glides if present.
- **Drawer Not Sliding Smoothly:** Check the drawer runners for any obstructions or debris. Ensure the drawer is correctly aligned on the runners. Lubrication with a silicone-based spray can improve smoothness if needed.
- **Glass Top Shifting:** Verify that the glass top is properly seated in its designated position. Ensure the frame is level.

If problems persist, refer to the original assembly instructions or contact IKEA customer support.

8. PRODUCT SPECIFICATIONS

Attribute	Specification
Model Number	102.036.10
Brand	IKEA
Color	White
Product Dimensions (W x D x H)	47 1/4" x 16 1/8" x 30 3/4" (120.02 x 40.97 x 78.11 cm)
Item Weight	22.7 Kilograms (22.68 kg)
