2. SAFETY INFORMATION

WARNING:

- This product is suitable for ages 6 and up.
- Not suitable for children under 36 months due to small parts which may present a choking hazard.
- Always use under direct adult supervision.
- Keep out of reach of very young children.
- Do not operate near people, animals, or obstacles.
- Avoid operating in wet conditions or on public roads.

3. PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- 1 x JAMARA BMW M4 Coupé Model Vehicle (1:14 Scale)
- 1 x 2.4 GHz Remote Control Transmitter
- 1 x Instruction Manual

The JAMARA BMW M4 Coupé RC car shown in its retail packaging.

4. SETUP

4.1 Battery Installation (Vehicle)

1. Locate the battery compartment on the underside of the BMW M4 Coupé model.
2. Using a screwdriver, open the battery compartment cover.
3. Insert the required batteries (not included) into the compartment, ensuring correct polarity (+/-).
4. Replace the cover and secure it with the screw.

Side profile of the JAMARA BMW M4 Coupé RC car. The battery compartment is located on the underside of the vehicle.

4.2 Battery Installation (Remote Control)

1. Locate the battery compartment on the back of the remote control transmitter.
2. Open the battery compartment cover.
3. Insert the required batteries (not included) into the compartment, ensuring correct polarity (+/-).
4. Replace the cover.

The ergonomic remote control transmitter for the JAMARA BMW M4 Coupé, featuring steering wheel design and directional buttons. The battery compartment is on the reverse side.

4.3 Pairing the Vehicle and Remote Control

The 2.4 GHz system typically pairs automatically. Ensure both the vehicle and the remote control have fresh batteries installed and are powered on. The remote control's indicator light should confirm a successful connection.

5. OPERATING INSTRUCTIONS

Once the batteries are installed and the vehicle is paired with the remote control, you can begin operation.

5.1 Basic Controls

- **Forward:** Push the forward control on the transmitter.

- **Backward:** Pull the backward control on the transmitter.
- **Left:** Turn the steering control left.
- **Right:** Turn the steering control right.
- **Stop:** Release the forward/backward control.

The vehicle is equipped with LED lights that illuminate during operation, enhancing realism.

6. MAINTENANCE

- **Cleaning:** Wipe the vehicle and remote control with a soft, dry cloth. Do not use chemical cleaners or water.
- **Storage:** When not in use for extended periods, remove all batteries from both the vehicle and the remote control to prevent leakage. Store in a cool, dry place away from direct sunlight.
- **Battery Care:** Always use fresh batteries. Do not mix old and new batteries or different types of batteries.

7. TROUBLESHOOTING

- **Vehicle not responding:**
 - Ensure both the vehicle and remote control are powered on.
 - Check if batteries are correctly installed and have sufficient charge. Replace if necessary.
 - Ensure the vehicle and remote are within operating range.
- **Short operating range:**
 - Replace batteries in both the vehicle and remote control.
 - Avoid operating near other radio-controlled devices or strong electromagnetic interference.
- **Erratic movement:**
 - Check for any obstructions in the wheels or steering mechanism.
 - Ensure the remote control is not experiencing interference.

8. SPECIFICATIONS

Feature	Specification
