Mega Bloks Call of Duty Assault Strike UGV Drone User Manual

Brand: Mega Brands | Model: CNG75

1. INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of the Mega Bloks Call of Duty Assault Strike UGV Drone construction set. This set allows for the construction of a detailed Unmanned Ground Vehicle (UGV) and includes a micro action figure with accessories.

Image 1.1: The fully assembled Mega Bloks Call of Duty UGV Drone with its accompanying micro action figure.

2. PRODUCT COMPONENTS

The Mega Bloks Call of Duty Assault Strike UGV Drone set includes the following primary components:

- **Buildable UGV Drone:** Features working treads and a rotating Gatling gun turret.
- **Micro Action Figure:** A highly detailed, super-poseable soldier figure.
- **Accessories:** Detachable armor for the figure, a weapon accessory, and a laptop computer.

Image 2.1: Individual components of the micro action figure and its accessories before assembly.

Image 2.2: The micro action figure fully assembled with its detachable armor and weapon.

3. SETUP AND ASSEMBLY

Follow the detailed step-by-step instructions provided in the manufacturer's assembly guide included with your

product. The general assembly process involves connecting the building blocks to form the UGV Drone and assembling the micro action figure.

3.1 UGV Drone Assembly

- Carefully separate all building blocks from their sprues if necessary.
- Assemble the base of the UGV, ensuring the working treads are correctly installed for smooth movement.
- Construct the main body and attach the rotating Gatling gun turret. Ensure the turret can rotate freely.

Image 3.1: A detailed view of the assembled UGV Drone, highlighting its treads and turret.

3.2 Micro Action Figure Assembly

- Assemble the micro action figure body.
- Attach the detachable armor and equip the figure with the weapon accessory and laptop computer as desired.

Image 3.2: The product packaging, which contains the detailed assembly instructions.

4. OPERATING INSTRUCTIONS

Once assembled, the UGV Drone and micro action figure are ready for interaction.

- **UGV Movement:** The UGV features working treads. Gently roll the vehicle across flat surfaces to simulate movement.
- **Gatling Gun Turret:** The turret on top of the UGV can be manually rotated 360 degrees.
- **Figure Posing:** The micro action figure is super-poseable, allowing for various stances and interactions with the UGV or other Mega Bloks sets. Adjust limbs and joints carefully.
- **Accessory Use:** The laptop and weapon accessories can be held by the figure or placed near the UGV to enhance play scenarios.

5. MAINTENANCE

Proper care will ensure the longevity of your Mega Bloks set.

- **Cleaning:** To clean the blocks and figures, gently wipe them with a damp cloth. Avoid harsh chemicals or

abrasive cleaners.

- **Storage:** Store the assembled model or individual blocks in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the assembled model with care, especially the smaller components and moving parts like the treads and turret.

6. TROUBLESHOOTING

Below are common issues and their potential solutions.

- **Issue:** UGV treads are not moving smoothly or are breaking.
Solution: Ensure the treads are correctly installed and not overly stretched. Verify that no debris is obstructing the wheels. Some users have reported issues with the material quality of treads in older production batches; if the issue persists despite correct assembly, contact the manufacturer for potential replacement parts.
- **Issue:** Building blocks do not fit together or are loose.
Solution: Double-check the assembly instructions to ensure the correct pieces are being used and oriented properly. Apply firm, even pressure when connecting blocks.
- **Issue:** Micro action figure joints are stiff or loose.
Solution: For stiff joints, gently manipulate them to loosen. For loose joints, ensure all parts are fully seated. Avoid excessive force to prevent breakage.

7. SPECIFICATIONS

| Feature | Detail |
|------------------------------|------------------------|
| Product Dimensions | 7.37 x 1.75 x 6 inches |
| Item Weight | 7.7 ounces |
| Model Number | CNG75 |
| ASIN | B00TSWV2MG |
| Manufacturer Recommended Age | 12 - 15 years |
| Manufacturer | Mattel |

8. SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Recommended Age:** Manufacturer recommended age is 12-15 years. Adult supervision is advised for younger users within this range.
- **Proper Use:** Use the product as intended for construction and imaginative play. Do not modify or attempt to ingest any parts.

9. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the documentation included with your product or visit the official Mega Brands website. You may also find support resources on the [Mega Brands Store on Amazon](#).
