

The Learning Journey 455227

The Learning Journey Techno Gears Marble Mania Zoomerang Building Kit

Model: 455227

1. INTRODUCTION

Thank you for choosing The Learning Journey Techno Gears Marble Mania Zoomerang Building Kit. This 80+ piece construction set is designed to engage young engineers in STEM education through hands-on building and exploration of cause and effect. Follow this manual for assembly, operation, and care instructions.

WARNING: Toy contains a marble. Not for children under 3 years.

2. SETUP AND ASSEMBLY

The Techno Gears Marble Mania Zoomerang kit includes over 80 brightly colored interlocking pieces, base plates, 3-D connectors, a corkscrew marble lifter, and a funnel marble drop. A step-by-step instruction manual is provided in the product packaging to guide you through the building process.

Key Components:

- Interlocking Pieces
- Base Plates
- 3-D Connectors
- Corkscrew Marble Lifter
- Funnel Marble Drop

For optimal stability, assemble the marble run on a solid, flat surface. While the set is designed for children aged 6 years and up, younger children (under 8) may benefit from adult assistance due to the focus on physics and engineering principles involved in successful construction.

3. OPERATING INSTRUCTIONS

Once assembled, place marbles into the designated entry points. Observe as the marbles travel through the various tracks, utilizing the corkscrew lifter to ascend and the funnel drop to descend, demonstrating principles of motion and gravity. Experiment with different configurations to explore various marble paths and speeds.

Interactive Features:

- **Corkscrew Marble Lifter:** Manually operated to lift marbles to higher sections of the track.

- **Funnel Marble Drop:** Guides marbles into a swirling descent.
- **Interchangeable Parts:** All Techno Gears products are designed to be interchangeable, offering extended play value and endless building possibilities.

4. MAINTENANCE

To ensure the longevity of your Marble Mania Zoomerang kit, keep all pieces clean and free from dust. Wipe components with a soft, dry cloth as needed. Store all pieces in a safe place when not in use to prevent loss or damage.

5. TROUBLESHOOTING

If marbles are not flowing smoothly or get stuck, check the following:

- Ensure all connectors are securely fastened.
- Verify that tracks are properly aligned and free of obstructions.
- Confirm that the marble lifter mechanism is operating correctly and not jammed.
- Experiment with different track layouts to optimize marble flow.

6. SPECIFICATIONS

Product Details:

- **Brand:** The Learning Journey
- **Model Number:** 455227
- **Age Range:** Kid (Manufacturer Minimum Age: 72.0 months, Manufacturer Maximum Age: 180.0 months)
- **Educational Objective:** STEM (Science, Technology, Engineering, Mathematics)
- **Material Type:** Plastic
- **Item Dimensions:** 18 x 8 x 15 inches
- **Included Components:** Gears, connectors, instruction manual
- **GTIN/UPC:** 657092455227, 793631501519

Educational Benefits:

- Supports cognitive development and problem-solving skills.
- Enhances fluid reasoning and mechanical/engineering skills.
- Builds confidence through designing functional structures.

Safety and Awards:

- All Learning Journey products are regularly safety tested and comply with domestic and international toy safety regulations.
- Winner of the 2019 MOMS CHOICE SILVER AWARD.

7. WARRANTY AND SUPPORT

The Learning Journey International provides a 90-day warranty against manufacturer defects. For warranty claims or support inquiries, please refer to the contact information provided in your product packaging or visit The Learning Journey International website.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
